We have a very busy and exciting month ahead of us. April's theme is 'Animals in Action'. We will be observing Earth Day (4-22) and Arbor Day (4-25). Check your child's parent board for related activities. Thank you to all of our families that helped make our Easter Bonnet Parade a success! We had so much fun and all of the kids looked great in their bonnets. Since the weather is warming up please be sure that your child is dressed appropriately for outside play. We also appreciate any donations of ice pops to help our classes beat the heat!

SAFETY ALERT

A friendly reminder to our parents that our parking lot can become extremely busy during peak times. Please be very cautious while driving and keep your eyes open for pedestrians crossing. Please do not park in front of the dumpster or along the fences. We appreciate your cooperation in keeping our parking lot safe!

Infants

Hello from infants! We have some new friends this month! We would like to welcome Alijah, Avery and Nathan to our infant family! We had a great month of March! We enjoyed our Easter Bonnet Parade with lots of parents and grandparents participating. It was fun to ride in strollers and cribs through out the parking lot while many cameras were rolling. Our cribs were even decorated and made all of us look beautiful! Many parents helped get us ready for the parade and Roman's grandpa even helped by pushing one of the cribs in the parade! We are all very grateful for their help! We have several friends who are trying to crawl and a few that are wearing shoes and trying to walk! We all have so much fun playing together!

As always, thank you for sharing your child with us!
