VPK A

Wow! VPK is over on June 10th. The year has passed us so quickly. I remember your little ones coming in on the first day of class wanting to learn and make friends. They didn't know much about the alphabet, letter sounds, or adding and subtracting. Oh my goodness what 9 months can do! I am amazed at the growth of social and educational skills that your children have gained. I am confident that each child is fully prepared to begin their journey to Kindergarten. Thank you for choosing Wellington Academy's VPK program. I wish your child the best in their educational goals. I will miss them dearly.

♥Ms. Cindy

VPK

Congratulations VPK! You did an awesome job at graduation! June 10th is our last day of VPK, and then summer camp begins. We have a lot of fun activities planned for the summer as well as some special visitors for our friends that will be staying at Wellington for the summer! Parents, we ask that you continue to practice with your child over the summer to keep up with their educational growth. We want to say what a pleasure it has been to have had the opportunity to teach your child! We wish them the best of luck in Kindergarten! Please come back and visit anytime! Thank you for sharing your child with us.
