VPK

It is hard to believe how fast this school year has been. We have enjoyed watching your children grown and learn so much. In a few weeks, we will have to say goodbye to our VPK only children and wish them luck in Kindergarten. This month is about traveling. We will learn about other countries, passports and way of transportation while on vacation. We will also continue to practice our letter sounds, numbers, and shapes. The next three weeks it is very important you have your child here by 8:30 and stay until 11:30 because we are practicing for graduation in the morning circle and afternoon circle. We are working hard on the program and want each child to be prepared for their special day. Toward the end of the month we will be having an end of the year party. Pajama day and a movie! Please be on the lookout for a sign-up sheet for donations.
