Infants

We have several new friends that have joined our classroom. We would like to welcome Cayden, Madalyn, Adam, and Parker. A lot of our friends are starting to walk and some are wearing shoes for the first. Everything is busy in the infant room, we have a very happy, and active group of infants! The teachers enjoy watching them grow, but feel sad they soon will be leaving us and moving up to the 1 year old room. Remember to check your child's folder for art work.
