Melissa Flores-Director
Tammy Yarter-Assistant Director

Summer is in full swing! The temperatures are rising and the afternoon thunderstorms are becoming part of our everyday schedule! I am so very glad to return to the center and to see all of our children and families. I have missed the North Cape Wellington Academy family! Ms. Danielle has resigned as Director in order to pursue another career path. We wish her the very best. We look forward to a fun-filled summer. With the temperatures soaring, water days will begin June 10th. Please see the water day schedule for your child's day of play.

We are always sad to see anyone leave the Wellington family. Ms. Angie has moved on and we will miss her. We are grateful for the many years of dedication she gave the children over the years. I have spent 13 years loving and believing in Wellington Academy and what it means to the children in our community. We will continue to provide quality care for the students of our center.

We are a community....a family.
Thank you for entrusting us with your amazing children.

We are so proud of all of our VPK graduates!! The graduation ceremony was fantastic!! The children were so well behaved and gave a stellar performance!

I want to congratulate Ms. Mackenzie Bishop for earning employee of the month for June. We are grateful for all of the hard work that she and all the VPK teachers did to ensure that our preschool graduation was a success.

It's going to be a great summer!
Ms. Melissa

Happy Birthday to all of our special friends celebrating this month!!!

June 2014

June 10th.....Water Days Start

Water Days:

Tuesday: Developmental 1

Wednesday: Developmental 2A & 2B

Thursday: Developmental 3A & 3B

Friday: VPK, Developmental 4 & Alumni

Please make sure your child comes **DRESSED** in their bathing suits on their scheduled water day! We ask that you bring in your child a:

LABELED towel, & a **LABELED** extra change of clothes. All students **MUST** wear water shoes, to ensure the safety of the children. If your child wears diapers, please remember to apply a swim diaper **OVER** there regular diaper!

***** Parents, if you would like your child to wear sunscreen, please apply it *BEFORE* dropping your child off for the day!**

June Curriculum

Letters: Review A-L
 Numbers: Review 0-5
 Shapes: Circle & Sun
 Colors: Orange & Turquoise

Developmental Ones

First, we want to congratulate our VPK graduates, we hope that you have lots of fun in Kindergarten! A round of applause for our VPK teachers who worked so hard with the children to make sure that our graduation program was amazing. Well done! Now that summer is officially here, water days are right around the corner. D-1 will have our first water day on Tuesday, June 10th and continue every Tuesday until the first week in August. Please bring your child to school ready to go for water day. This means a "swimmy" diaper over their regular diaper and bathing suit or swimming trunks. Don't forget to bring your child a towel as well as well as a change of clothes. Please make sure to label everything with child's name or initials. We are looking forward to a fun summer. A tip of our hats to our awesome Dads. Happy Father's Day!

Developmental Three A

Wow! Here we are going into summer already. We had a very memorable school year behind us, with lots of learning and fun. Summer will be lots of fun, we will have water days, and lots more fun but incorporating learning too of course. For water days, please make sure your child comes dressed & ready to go! Sunscreen must be applied at home, and water shoes must be worn so that we prevent any burned feet. *Your child will need a labeled change of clothes, and a labeled towel to use! We encourage you to keep working with your children on using "their words" to express themselves. This is to help them ask more questions and communicate better. We will be focusing on our listening & communication skills a lot this summer. We appreciate all that you do.*

Developmental Two A

Last month was full of many fun activities & a lot of time awaiting and preparing for the VPK graduation! We want to congratulate all of our VPK students & teachers! Good luck on your new journey to Kindergarten! Wow has time flown by, its already June. Our theme for the month is: Sand, Sea & Sun. We will be working on our numbers 0-5 and talking about our shapes and colors too! We are asking that every child bring in a 200 count of wipes for our classroom, as we are running low. However, they last us a long time! Also, per DCF the child's cubby **MUST BE ABLE TO COMPLETELY SHUT!** Each child is allowed to have: 1 sheet, 1 blanket, 1 stuffed animal & a pair of extra clothes. Thank you for all your cooperation. We love you all & we are looking forward to another awesome month.

Developmental Three B

This June is Sand, Sea & Sun...Summer time is here!! We will be having water days starting in the second week of June. We ask that parents please bring your child in their bathing suits ready to have fun! Sunscreen **MUST** be applied by a parent before entering the school, a change of clothes as well as a towel should be brought to school on water days! We would appreciate any book donations! The children love to have new stories to read! This month we will be reviewing our letters & our numbers up to 20. As always, thank you for all you do *for our classroom!*

Developmental Two B

Summer is on its way! We had a great month of May learning all about traveling and different cultures. We can't wait for our new playground to be finished! It is going to make water days even more fun than they already are. We loved all the participation for our school-wide spirit week! You guys did a great job This month we are going to learn all about the sand, the sea, & the sun! We can't wait to see what summer has in store for us!

Developmental Four/VPK

May was a very fun, but sad month for us! We had to say goodbye to a lot of our VPK friends, as they move onto bigger & better things in kindergarten! We can't wait to see what the future holds for them! Some of our friends decided to stick around & spend the summer with us & we are SO glad that we get a little while longer to spend with your children! Water days are here!! . Our day for our summer water fun, will be every Friday, weather according! Please, please, please, make sure your child has a labeled towel & a labeled change of clothes. We plan on having lots of fun this summer, while still reviewing our letters, numbers, colors & shapes. Show & tell is every Friday, please don't allow your children to bring in toys from home on any other day, as it causes a disturbance and is unfair to the other children. We appreciate all that you do for our class!

*If you are planning a vacation, please let the front office know. If you are **NOT** eligible for a "vacation week" you **WILL** still have to pay tuition for that week, even if your child is not in attendance.*

Reminders:

*If your child requires special milk, or a lunch brought from home, we **MUST** have a letter from the doctors.*

If your child is showing ANY symptoms of sickness, please keep them home. This helps cut down on the spread of germs. We appreciate your cooperation!
