Administrator's News...

The holidays are here already. I can't believe this year end is quickly approaching. I would like to thank all of our parents that helped with our Fall Feast. The children really enjoyed all of the delicious food! This month there is a lot of activities and events going on throughout the center, so please check your child's parent board in his/her classroom to stay up to date.

Santa will be making his yearly appearance to our school on Tuesday, December 10th at 9am sharp! Don't forget that we are asking all the parents to bring in a small wrapped gift for **your** child to receive from Santa on this day. Please remember this is a small gift priced \$5-\$10 in value.

This is the perfect time of year to take the opportunity to teach children about helping others. Maybe during your conversations you may want to discuss with your child the meaning of charity and that some children are not as fortunate as others. It's never too early to help your children learn to give to others. Children naturally love to help. Teaching them about sharing and caring for others is a gift that will last a lifetime!

Our school will be closing at 1pm on December 24th in honor of Christmas Eve, and will also be closed the next day for Christmas. School will resume Thursday, December 26th! VPK parents, don't forget that the last day of VPK for this calendar year is Friday, December 20th, and will not resume back until January, 8th 2014.

We hope that your family has a safe and wonderful Holiday Season. Wellington is honored to be able to share this time of year with your bundles of joy!
