February 2013

Classroom News

Developmental One- Can you believe that January is already over and 2013 is well on its way! This month we learned about ice, snow, and all things that are cold. Ms. Rosie brought a caterpillar to class and we watched it grow bigger and bigger. We saw when it became a butterfly and flew away. In January some of our friends celebrated birthdays. Zachery, Reese, and Jack all turned two-years-old. It was an exciting month for Reese as she became a big sister!! Addison and Blake have moved to the two-year-old room, we are sad to see them go but we know they are in good hands with Ms. Gail, Ms. Liza, and Ms. Julie. With heavy hearts, we also say good-bye to Ya-Ya who is moving away. We send much love and good wishes with her and her sister. In February, we will be learning about healthy habits. The number one habit that is so important, especially during flu season is hand-washing!! Make sure that you are practicing that skill at home with your children. On Thursday, the 14th, we will be having our Valentine's Day Celebration. There will be a sign-up sheet in our room for any parents who want to contribute. Hope your Valentine's Day is special!!

Developmental Two- D-2 teachers would like to wish the best of luck to Aiden, and Jackson who have left us for the three-year-old classroom. We also are welcoming Blake and Addison to our classroom, we look forward to spending our days with them, watching them learn and grow. We would like to give Lucas a special welcoming to the Wellington family!!

We are looking forward to having you in our classroom! During the month of February we will be discussing Healthy Habits, which will of course include Hygiene. One of the most important parts of our day is hand-washing!! Please encourage your child to wash their hands at home and as they arrive at school. Don't forget to LABEL, LABEL, LABEL everything your child brings to school.

Developmental Three- Love is in the air.... Our three's will be having a Valentine Party. So be sure to sign up on our Parent Board. We have new students starting with us, We would like to welcome Aiden and Jackson from the two-year-old room. We would like to remind our parents to make sure your child has weather appropriate clothes in their cubby, as we are still in the "cooler" months. Our curriculum theme is "Healthy Habits." We encourage the parents to work on the letter U,V, W and numbers 14, 15, 16 as they will be learning about Nutrition, Health, and Safety. We are always looking for books, hard to soft to go along with our activities. We appreciate all you do, have an amazing February!!!!

Developmental Four- Wow!! It's already February, we are off to a great start in 2013!! We will be having a Valentine Party on Thursday, February 14th!!

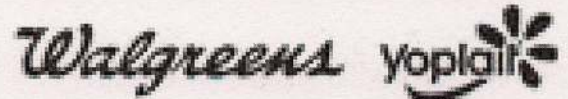

Please, if your child would like to

bring in valentine cards, address them To: My Friend Love: Your child's name. Keep an eye on our Parent Board for sign-up information! During the month of February we will be discussing Healthy Habits, One of most important habits here at Wellington is HAND WASHING! Please encourage this at home with your child and upon arrival here at school. We will also be working on the letters Uu, Vv, Ww, along with numbers 14, 15, and 16. As the weather begins to warm up, please be sure to take home any and all jackets your child as brought to school, our cubbies are getting full! Remember, toys are not allowed in the classroom unless it is Show & Tell day! We hope you have a great month of February, and we special Valentines Day!!
