Administrator's news..... June 2013

We would like to congratulate all of our VPK graduates on an amazing Graduation ceremony! They put so much hard work and dedication into making their "Under the Big Top" performance so FANTASTIC! We would also like to thank our parents that partner with Wellington Academy to support their children's academic learning. Finally, I would like to personally thank all of the dedicated teachers of Wellington Academy. It's because of your commitment to the children that this event was so amazing!

SUMMER IS HERE!! It is already warming up! Water days are quickly approaching and we are ready for the cool down! Please remember to have your child dressed and ready for their water day activities. Sunscreen should be applied prior to arrival at the center. Please label all your child's belongings, such as bathing suit, towel, and any other change of clothes..etc...

We are so grateful to all of our parents for donations of ice pops. As the temperatures start to soar, the children love to have a nice cold ice pop to cool down. We welcome all and any donations of ice pops!!

Our Alumni program is in full swing! This program runs through the summer and is available for children ages 6-12. The alumni program is a fun and exciting program for the children. They will participate in many activities, arts and crafts, and learning experiences. Please contact the front office regarding availability and pricing. Siblings of students of the center are also welcomed!!!!

Our Fall VPK program still has a few spots available. If your student is the age of 4 prior to September 1st, they are eligible for the VPK state assisted program. If you have not acquired a VPK voucher, please see the front office for information on the enrollment process.

We are looking forward to a great summer!! We are also beginning our preparations for an amazing fall!! Happy Father's Day to the most amazing dads around!! Our Wellington dads!

Ms. Melissa

Upcoming Events...., June 2013

Water days begin...

Tuesday, June 4th....Dev One

Wednesday, June 5th....Dev Two

Thursday, June 6th.....Dev Three

Parent Night Out

Friday, June 14th 6pm-9pm

Father's Day

Sunday, June 16th

Ms. Mary's Birthday!

Saturday, June 29th

Wellington Academy

June Classroom News

Developmental One— May was a busy month with lots of things happening. We had many new friends join our D-1 family. We welcomed Jaliana, Aaliya, Jack, Jonathan, Justin, and Jeremiah. (WOW that's a mouthful of J's) We also had to say farewell to some of our old friends, Jack, reese, Ariana, Alexandra, Alyssa, Zoie, and Carly all made that big move to the two year old room. While we are sad to see them go, we are also excited to see them move on to continue their journey at Wellington. A BIG "Thank you" to all our parents who were so involved and supportive while your children were in our class. It was greatly appreciated. We would love to have a picture of your family for our classroom family wall, it sometimes is very comforting to see pictures from home. Also, it is very important that your child has at least two pairs of extra clothing in his or her cubby and please make sure to label everything with your child's name. This becomes extra important when water days start and we are changing from wet clothing to dry clothing. Another important reminder is to please not leave any kind of medication in your child's cubby. All medication need to be given to one of the teacher for safe keeping! And finally, we want to wish all our dads a great & Happy Father's Day!!

Developmental Two (A)— We had so much fun learning last month! Its so sad to say goodbye to our friends who moved to there new classroom.

On that note, we would like to welcome our new friends; Piercen, Isabella, Sophia, Kendyl, Alexandra, Reese, Ariana, Carly, Alyssa, Jack, & Zoie! Our class is where the long journey of "Potty Training" begins! Please make sure your child has extra clothes in his or her cubby in case of an accident! Also, make sure EVERYTHING is labeled with their name on it, and make sure you check your child's cubby for any dirty or wet clothes that they might have. We are looking forward to fun in the sun this summer!

Development Two (B)— The summer is here! Water days for the two's will be every Wednesday beginning on 6/5. Please bring your child to school dressed & ready to go for water day. Sunscreen should be applied at home before you bring your child in. Your child will need a labeled extra pair of dry clothes & a dry towel. If they are still in diapers, please put a "swim" diaper OVER there normal diaper. We would like to say goodbye and good luck to Trey, Colten, Faith, Quentin, Kaylan, Sofia, and Pela who are in the 3's! We welcome our new friends Kendyll, Nathan, Avalyr, Destiny, Addison, Damon & Isabella who moved up to our classroom. We are looking forward to a fun month learning about Sand, Sea & Sun!

Developmental Three— We Welcome summer with the start of water days beginning June 6th. Our class will have water day every Thursday. Our month is planned with lots of fun activities and crafts as we learn about the ocean! A BIG "Thank You" to Brody & Jordan for our bird feeders, we have seen a lot of happy, hungry birds outside our window. If there are any parents that are willing to donate any Butterfly Bushes we would greatly appreciate it, as we are trying to plant a butterfly garden with our bird feeders. We welcome our new friends to our classroom! Looking forward to a fun summer with your children. Also, we would like to say a HUGE "Thank You" to our parents who are always willing to help every month by sending in supplies that are needed for our projects!

Developmental Four— May flew by too quickly! We had a great time at graduation, the children were awesome! We have planned many fun and learning activities planned for the summer program! Our water days will be every Friday. Please make sure to label all of your child's belongings. We will be having cooking projects on Thursday, so check the parent board for sign up lists. We thank you for all your generous donations!
