Classroom News!!!!!!!!!!!!!!!!!!!!

Developmental One –February was lots of fun! Not only did we celebrate Valentine’s day, (thanks for all the goodies), we had three friend’s birthdays. Zoie, Ariana, and Gabriella all turned two years old! Things were especially exciting at Zoie’s house due to the arrival of her new baby sister, Zuri!! We also welcomed new friends to our D-1 family! Sophia, Liliana, Raiden, and Zoe, all joined our class and we are so happy to get to know them and their families. This was also healthy habits month so we spent time talking about the importance of brushing our teeth! We read books about Barney and Dora going to visit a dentist! We talked about all the colors of various fruits and vegetables that we eat to keep our bodies healthy. March is here so we know that Spring is right around the corner. In March, We’ll be celebrating St. Patrick’s Day and Easter. We’re looking forward to our annual Easter Bonnet parade. This is an opportunity for our parents to get those creative juices flowing and help your child come up with an original hat design!! We’ll also have an Easter party for the children...please watch our parent board for information....As usual, we are busy, busy, busy! Happy Spring to everyone and have a joyous Easter holiday.

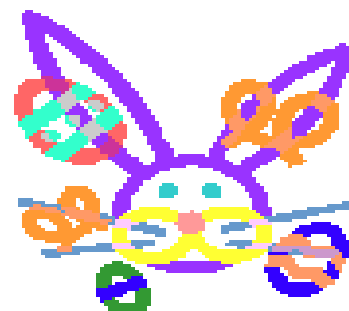

Developmental Two– Happy Spring to all of our Developmental Two parents!! We would like to welcome our new friends Jaylah and Bentley to the Developmental Two classroom!!A big thank you to all of our parents for making Valentine’s Day so special....through your kind gifts and donations for our classroom party. With Spring approaching, warm weather is in our immediate future..We ask that our parents please check your child’s cubby to ensure that they have a labeled, weather appropriate change of clothes. We start our classroom rotations @ 9 am sharp so we ask that you please arrive on time. We want your child to benefit

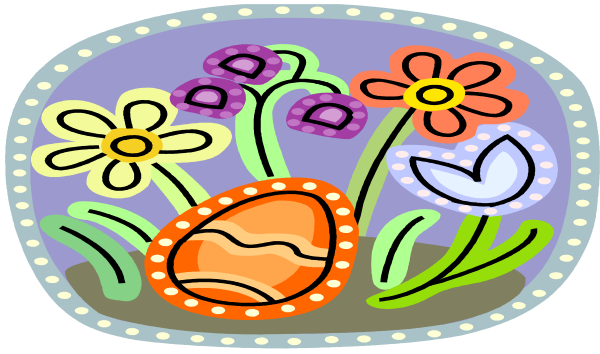

from all aspects of the classroom academics and activities. We want to also remind our parents to check the parent board located on the inside of our classroom door periodically. It will inform you of any upcoming activities. It is with great sadness that we say goodbye to Ms. Gail this month...she will be missed greatly!!! We wish her the best in her new endeavor.

Developmental Three–Wow!! Where did February go!?!? Here in the Three’s we are putting our best foot forward and diving right into...One fish ...two fish...red fish...blue fish...its’ Dr Seuss week starting on March 5th. Green Eggs and Ham, Sam I Am!! And we are sooo excited! We will also be having a St. Patrick’s Day Party. Our Easter party will be on Thursday the 28th. Be sure to check our Parent Board for party sign ups! Our curriculum theme this month is Spring. We will be reviewing letters X, Y, and Z and the numbers 17, 18, 19. We would like to thank our parents for all you do and the donations of books we have received– We APPRECIATE YOU!!! March will be amazingly busy and we are looking forward to teaching and discovering with your child!

Developmental Four/VPK-Wow!! Its already March! February was filled with tons of love. Get your green ready because we are hoping for lots o’luck in March. During the month of February we said goodbye to Ms. Diana who has moved away to Orlando. We wish her the best of luck! We are slated to move into our new classrooms during the month of March!! We are very excited. Keep an eye on our Parent board for our St. Patrick’s Day party! Also, Easter is right

around the corner. We are asking for your help with candy donations for our egg hunt! Our Easter activities will take place the week of March 18th. Don’t forget that the center will be closed Friday, March 29th! We have started our preparations for Graduation so... your child may come home singing some new songs. Graduation will be held at Island Coast High School on Friday, May 10th @ 7PM. Please remember there are to be no toys brought to school unless it is a Show and Tell day. Thank you for your help with our weekly cooking projects...The children really enjoy them! If you have any questions or concerns, please feel free to ask any of your child’s teachers. We are always here!!! We hope that you have a great month!!
