Danielle Freeman-Director
Tammy Yarter-Assistant Director

March is here and it promises to be a fun filled month! We have lots of fun projects planned for your child to go with our Spring theme. This is a great time to discuss with your child about the spring season and the change of weather, maybe even a good time to plant a garden! We are very excited about Dr. Seuss's birthday and St. Patrick's Day. Your child is more than welcome to bring in his or her favorite Dr. Seuss book to read in their classroom. Don't forget to check with your child's teachers about any projects or parties they have planned for these events! Spring Break this year is March 14th-March 21st, don't forget that there is NO VPK, but we will have our alumni program that week!

We want all of our families to join us for the Southwest Florida Reading Festival, March 15th in Downtown Fort Myers from 10am-4pm. This is a great family friendly event, there will be authors, games, story readings and lots of other fun events going on!

Friendly reminder, don't forget to change your clocks on Sunday, March 9th we will be "springing" forward!

Graduation is quickly approaching! The date has been set for your little ones to "walk the stage." The ceremony will be held at Island Coast High School on Friday, May 23rd at 7pm. There is a lot of preparation that goes into this performance, so please be sure to keep informed! We are asking that the VPK graduates bring in a baby picture (birth-one year) you may bring it in to the front office or you may email it to us at wellingtonacademyncc@embarqmail.com.

Books, books, books! Kids love to read stories, and we are always in need of new books! What is one person's trash is another man's treasure...

As always thank you for letting us be a part of your child's growth and learning. We are thankful to have you be a part of our Wellington family.

~Ms. Danielle

Numbers: 6, 7, & 8 (D1, D2)

17, 28 & 19 (D3, VPK, D4)

Shapes: Oval, Clover, & Flower

Colors: Pink & Yellow

Developmental Ones

Our class had a love-ly time in the month of February with Valentine's Day. A big thank you to the parents for their gifts of sweet treats and for donating to our party. We also welcomed some new sweeties to our class. Allie, Kian, Madelyn & Tanner are all new additions to our D-1 family. We look forward to getting to know them and their families. Our theme for March is "Spring." Spring is all about renewal and rebirth. With the children we will be focusing on how things grow & change. We will be focusing on how things grow & change.

We will be reading books like "The Very Hungry Caterpillar" & "The Tiny Seed." And of course, we can't forget about wearing our green on St. Patrick's Day. We would love to have a party that day & have all green snacks. (The D-1 motto is "Any excuse to party!") We thought it would be fun to have the parents come up with ideas for green snacks. Let us know what kind of ideas you can come up with!
Happy Spring to all!

Developmental Three A

We are springing into March, we would like to welcome our new teacher Ms. Vanda into our classroom. We are working on our writing skills and we are asking that you try to bring in a "My First Pencil" for your child so that we can keep improving on their writing abilities. We are looking forward to what this month has in store for us, lots of learning, art crafts, science projects & more! We are needing to replenish our community wipes, we use them for many things such as wiping hands, cleaning faces, and for personal hygiene. We appreciate all your help & happy spring!

Developmental Two A

What a memorable month! February we enjoyed talking about healthy habits & healthy hygiene! We are still working to improve our fine motor skills with the zipper toys and bead stringing. Now that February is over we are welcoming March! Our letters of the month are X, Y, and Z.

The numbers are 6, 7 & 8. This month we will be working on our colors, numbers in English & Spanish.

We will be discussing spring and what happens during the season. Parents, any snack donations are greatly appreciated, we love anything as long as it does not have nuts or peanut butter!

Developmental Three B

We are for sure looking forward to spring weather & spring events! We have very cool science projects planned for the month of March. Keep an eye out on our parent board for sign-ups. Our letters this month are X, Y, Z; and our numbers are 17, 18 & 19. Please make sure your child has weather appropriate clothing in their cubbies and labeled sheets and blankets. We appreciate this, it helps friends go home with the right belongings. Thank you. We are still in need of story books w/CD's so if you have any at home our friends at Wellington would love any new additions to their audio library. As always we appreciate all the donations for our D3-B classroom!

Developmental Two B

Wow! We cannot believe it is March already! We had a blast last month with our Valentine's Day party, thank you to all of our parents for your donations! Ms. Emily is so happy to now be apart of our class. We're excited to welcome spring and enjoy learning and exploring it this month.

Developmental Four/VPK

February was a great month in VPK! Our Valentine's day parties were so much fun & we enjoyed being able to exchange valentines and have some yummy treats too! We are looking forward to March. We are going to be learning all about spring. There will be lots of fun art projects as well as a few science projects that we are looking forward to doing! Graduation is quickly approaching, please don't forget to keep an eye out for different flyers pertaining to graduation. This event is a fun one, but it wouldn't be possible without your help! Monthly sight words are very important, please be practicing them with your child at home on a regular basis, this is just another way to get them ready for kindergarten. Your child's folder needs to be checked daily, there is always papers, flyers, homework, or art projects that need to be taken home! We appreciate all your generous donations towards our cooking projects each week, keep checking our parent board! We can't wait to see what spring has in store for us!

****SPRING BREAK!!!****

There will be NO VPK from Friday, March 14h through Friday March 21st. Class will resume Monday, March 24th.
