Administrator's news.....

May 2013

We are now online!!www.wellingtonacademyschools.com/newsletter

May already?!?!?! April flew by in such a whirlwind...As the end of our "school year" approaches, we are excited for the sun and fun months of curriculum and activities heading our way!!

Our VPK programs are preparing for their graduation ceremony which will be held on Friday, May 10th @ 7pm. We are so proud of all that these amazing students have accomplished during their time with Wellington Academy!

We would like to remind parents that we will remain in session over the summer months. We welcome all of our VPK/Dev 4 students to continue their preparations for Kindergarten over the next few months. We find it crucial to retain the information your child has learned over this school year. Please see the front office for information.

This month our curriculum theme is Passport to Travel the World!! The teachers have planned some amazing curriculum and activities for this month! The students will embark on many adventures into new lands..

We are thrilled to announce the opening of our addition!! As many parents might have seen, we have already begun the transition of classrooms/students into their new classrooms. Please feel free to walk over and view the new VPK classrooms!

Teacher Appreciation Week is here!!!

May 6th-9th is an ideal time to let a teacher know just how much we appreciate them and all that they do each day to make Wellington a home away from home for you child. I admire and respect each and every teacher for all of their hard work and dedication. Please take time out this month to recognize these amazing people who are so much a part of your child's life.

I want to wish a Happy Mother's Day to all of our amazing moms!!

Have a wonderful month.....

Last day of VPK
May 23rd

Memorial Day
May 27th.....Center closed

Wellington Academy Classroom News

May 2013

Classroom News!!!!!!!!!!!!!!!!!!!!

Developmental One –April was an awesome month full of fun for our toddlers! We learned all about “Animals in Action”. The children enjoyed all of the art projects and books about animals! We would like to welcome a new friend to our classroom, Jaliana is a wonderful addition to our Developmental One family! This month we will have a “Passport to travel the World”. We are excited to talk to our students about different countries and cultures! We would like to thank all of our parents for always being an active part of your child’s life. We also want to remind our parents to label all items brought into the center with your child’s name. We look forward to a fun filled month of May. We wish all of our Mommies a Happy Mothers day!

Developmental Two– April was a month full of fun for the Developmental Two Class!! The children enjoyed learning about animals! We especially enjoyed our teddy bear picnic. Thank you for the donations that made our picnic a huge success!! We would like to welcome Ms. Daisy to the D2 Team! We would also like to welcome our new friends; Leighandra, Zachary, and Sophia M. Some reminders.....Each child needs to have a mat for naptime that is at least 2 inches thick. They also need a fitted crib sheet to go over the mat and a blanket. These items should be taken home on a weekly basis to be laundered and returned on Monday or the first day your child returns. Thank you for your cooperation..It’s that time again, we need to replenish our community wipes. **Each family** should bring in a **200+ count package of wipes**. Our classroom utilizes wipes in various ways, not only for diapering. We appreciate your assistance in this matter. In May we will be learning about different countries and customs from all around the world. We welcome and would appreciate any input our families may have regarding their family traditions and history.

Developmental Three– There has been a lot of changes happening! We are now in our new classrooms!! We are very excited about these changes and our ability to work with our students on their academic milestones. The students will be able to work one on one according to their needs! This month we will “Travel around the World!” and learn all about other countries. Please make sure

that your child has an extra pair of weather appropriate clothing in their cubby. With all the new changes happening, we are creating our new family trees for the classrooms. We are asking our students to bring in a new family picture for us to display! Thank you for all of your cooperation during the transition into our new classrooms. We appreciate you and all that you do!!!

Developmental Four/VPK– We had a great time in April! We would like to start the month of May off with wonderful wishes for our Mother’s on their special day this month! We have been working very hard in preparation of our Graduation ceremony. We can not wait for all of our families and friends to see us perform on our special evening. Our VPK graduation ceremony will be held on Friday, May 10th at Island Coast High School. **We are kindly asking for the parents of our graduates to please have your child picked up by 4:00-4:30pm on the day of graduation. This will enable us to get the auditorium prepared for Graduation!!** Please have your child arrive the night of graduation by no later than 6:30pm. Please remember the Mommy and me tea party is on Thursday, May 9th @ 4pm for our VPK A, B, and D classrooms. Our morning VPK only classroom tea party will be @ 10:30am. Please see your parent board inside the classrooms should you have any questions. We ask that you check your child’s communication folder daily. Your children are very proud of all their work and would like to share it with you!! We would like to thank all of our parents that have donated Ice pops and items for our cooking projects! We hope that everyone has an amazing month! We look forward to a great end to our “school year”.
