

We need your help!!!

We are in need of plastic grocery bags. We use the bags for many purposes. Thank you for your assistance. We could also use any Donations of paper bags for our Fall feast at the end of this month.

Please try to keep our parking lots safe for our students and families. We ask that our parents Use the enter sign to come into the parking lot & the exit located at the opposite side of the parking lot. We also ask that parents NOT PARK anywhere other than a designated parking spot.

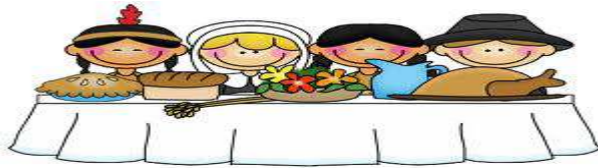

Please don't forget that tuition is due the Friday BEFORE the week of attendance. Paying on time will ensure that a late fee is not applied to your account. Thank you for your cooperation in this matter.

During this time of giving thanks and thinking of others, we begin our Annual canned food drive to help families less fortunate than ourselves. On Monday, November 4th, we will begin collecting canned food and non-perishable items. The items collected will be donated to a local organization. The drive will continue for two weeks. The class that collects the most items will win a pizza party for their classroom. Thank you for choosing to share with us in the joy of giving during this holiday season.

On Thursday, November 21st we will have our annual holiday feast with turkey and the trimmings. The children will make Native American and Pilgrim costumes and celebrate the first feast in STYLE!! The feast will take place during your child's lunch hour.

CLASSROOM NEWS

Developmental Ones

As always, October was lots of fun! Our Fall festival was a HUGE success. We love seeing our students and their families in their Halloween costumes. A BIG thank you to all of our parents who helped to make that possible with your generous donations. Now we turn our attention to the season of giving. Of course in November we celebrate Thanksgiving. It seems only appropriate that our theme for this month be "Families". Don't forget to bring in a family picture for our picture board if you already haven't done so. We will be reading books and doing lots of fun lessons centered around our theme of "families." We would like to welcome a sweet, beautiful new girl to our classroom, Gianna! We look forward to getting to know her and her family. Warm wishes to everyone for a wonderfully blessed Thanksgiving holiday!!
