Dear Parents,

It is with great pleasure that we announce the promotion of Melissa Flores to the position of Regional Director of Wellington Academy. Melissa has been on the Wellington childcare staff for over twelve years. Her strong leadership skills, love of the children and her professionalism will be an asset to all the Wellington schools. She will still be very involved in the operation of North Cape Wellington and is excited to work with the new Director, Danielle Freeman.

Danielle has twelve years of experience in childcare and has earned her Directors credentials at Edison State College. She also has her Child Development Associate certification as well as CPR and First Aid. She brings to this position a wealth of knowledge and resource. She has many wonderful ideas, but her main focus is your child's day at Wellington and communication with you as parents.

Please join us in congratulating Melissa and Danielle on their new positions and feel free to stop by the front office to congratulate both ladies.

Sincerely,

Your Wellington Family
