September 2013

We are now online!!www.wellingtonacademyschools.com/newsletter

August was an amazing month!! We are “back to basics” and the classrooms are right on track!!! We are so pleased to have new friends and families join our Wellington family this school year!! This month our Curriculum will focus on Community Helpers! We look forward to teaching the children about our community and many roles our parents and families play in our community. We welcome any and all volunteers that might be able to spare a few hours to speak to the children regarding their careers.

It was a heavy heart that we said goodbye to Ms. Kelsey, she has moved forward with her plans to become a medical professional...She will be missed! We are thrilled to have Ms. Mary back!! Ms. Mary has rejoined the Developmental 3 team!!!

This month we will be holding our Parent Orientation evening on Thursday, September 19th @ 7pm. This is an evening designed for parents only. This evening focuses on a day in the life of your child. Teachers will review our academic goals for the school year. We thank you in advance for taking time out to partner with us to ensure your child's academic success.

Our VPK Classrooms will be participating in the annual St. Jude's Trike-A-Thon. Every year, the preschool children spend a week learning about bike safety, compassion, kindness, illness, and community. The children finish this week of learning with a fun-filled trike-a-thon. They ride laps around our parking lot to raise donations for the children of St Jude's Hospital. Over the 10+ years that the North Cape Wellington Academy has been holding this event, the children have raised over \$25,000!!!! Children helping children is the most powerful message and we are so very proud to hold this event each year. If you know of any companies or corporations that may be willing to help our children with donations, please visit our Facebook page....Information regarding the Trike-A-Thon will be posted along with a link for donations....

Wellington also has a Facebook page!! Our center posts pictures of events and daily fun times!!
