## Administrator's News...

**HAPPY NEW YEAR!!!** I still can't believe that 2017 is here!! 2016 was a fun-filled, eventful year. Time flies when you are having fun! We thoroughly enjoyed the memories that we have made with your amazing children. The holidays were wonderful and full of togetherness and love. We hope that you had as much fun and joy as we did.

As we come to the second half of the school year the pace is going to pick up as we prepare our VPK students for their transition into Kindergarten students. Our younger students will continue with their academic and social growth. The teachers are doing a fantastic job guiding your children in their learning. A great way to assist them at home is to reinforce what they have learned during the day at school. Reading with your child is a great way to promote early literacy. We have posted both our monthly curriculum and activities your child is working on daily in the classroom. Please look at the lesson plans posted and ask your student questions and reinforce the learning while you are at home, in the car, or out and about. It truly makes a world of difference!

I would like to take the time to thank all of our parents for their kind words and appreciation throughout the holidays. It truly is a blessing to be a part of your children's lives each day. I would also like to thank all of the parents that assist and participate in classroom activities and donate for classroom events and projects. We appreciate you going above and beyond to help. On that note, I would like to inform our parents of our PARENT APPRECIATION DAY. It will be held on Friday, January 13th. There will be an assortment of breakfast items, coffees, and juices at the front desk to show our appreciation for having such wonderful parents!!!

Communication is so important to the success of our center. I would like to encourage all of our parents to communicate regularly with your child's teachers. If you have questions, comments, suggestions, or concerns, please feel free to talk directly to your child's teachers, myself or Ms. Mackenzie. We also have a suggestion/comment box located in our cafeteria. We are here to help you and your child through these precious years of their life. Your input is always welcome and necessary. While perfection is impossible in this world we live in, we want the very best for your children. We strive to be the quality child care facility that you were searching for when you chose Wellington Academy. The teachers, as well as myself take pride in our work and in the relationships we form with not only the students, but with the families as well believing in us!

### **Developmental 1**

2016 is over, which means a new year and new goals. We had an amazing year and we want to thank you all for sharing your beautiful children with us. Friday, January 13th is our Parent Appreciation day, so please come early and join us for some coffee, juice & yummy pastries. We want to remind you to double check that your child has at least two full sets of clothes in his or her cubby, as accidents do happen. The weather is always changing, it would be a good idea to keep a jacket or sweater in your child's. Wellington Academy will be closed Monday, January 16th. We hope this year is full of blessings for you & your family.

### **Developmental 2A**

Happy 2017 to everyone!! Please make sure that your child has at least two changes of clothes in his or her cubby. Also, this is a good time to check to make sure that clothes still fit and are weather appropriate. And please remember to wash your child's hands as they enter the building to minimize the spread of germs and viruses. We want to start the new year by giving thanks. "Thank you" to our parents for the beautiful and thoughtful Christmas gifts that we all received. It is such a good feeling to be recognized and appreciated. We would also like to thank all of our parents and families who do so much throughout the year to encourage and support us. We appreciate the efforts that you make to reinforce positive behaviors and "teachable moments" at home. Teachers and parents working as a team is an essential part of a child's educational experience. We look forward to this new year with optimism, welcoming the many challenges and opportunities it will bring to our classroom. We wish everyone a happy & healthy New Year!!!

### **Developmental 2B**

Happy New Year!!! 2016 is here already!! The weather is finally starting to cool down, so make sure your child has a jacket or sweater in his or her cubby as well as a weather appropriate change of clothes. We can't wait to meet all of our new friends who are joining us this month. We know that all of our children who are moving to the three's will do wonderfully! Checking our parent board as well as your child's folder daily is very important!!

### **Developmental 3A**

## Developmental 3B

A new year is upon us already. Can you believe it?! 2016 was a great year. We love getting to see your children develop and flourish. We want to thank all of our amazing parents for everything that you do. Whether it is helping us with donations for projects or sending in sweet holiday gifts, we appreciate it all!! Don't forget that each child should have at least two pairs of weather appropriate clothes in his or her cubby. This is especially important as the weather cools down. Please make sure all items that are brought to school are labeled with your child's name or initials to help us identify each child's belongings. IF you ever have any questions or concerns, please do not hesitate to ask us. We are dedicated to the education of your child. Happy January & we hope to start off the year with a bang!!!

## VPK A

'We would like to say "Thank You" to all of our wonderful families who came to our Holiday Program! It was certainly memorable. Also, thanks to everyone who donated items for our gingerbread house decorating, they turned out great! This month we pick up where we left off, learning the alphabet letters Qq, Rr, Ss & Tt. The numbers we are focusing on this month are 11, 12, 13 & 14. Keep checking our signs to see what is happening, don't forget to check your child's folder daily for any art work or activities that we do in class! Lets have a great start to a new year!!

## VPK B

Happy New Year! We hope that everyone had a very Merry Christmas. We want to thank everyone for their generous gifts that we received during the holidays. Wellington will be CLOSED on Monday, January 16th for a teacher in service day. Please make sure you continue to work on sight words at home, along with handwriting practice. If you would like extra worksheets or activities for your child, feel free to ask. Our goal is to have everyone reading by the end of the school year, which will be here before you know it! Don't forget that your child should always have an extra change of clothes in their cubby. We need your help!! The only day that your child is allowed to bring a toy from home is on FRIDAY'S!! Stuffed animals are allowed for naptime, but please no toys!! We are looking forward to a great start in 2017 and before you know it we will be planning graduation! If you need any information or advice on School Choice for Kindergarten, please ask the front office; they will be more than willing to help!

## VPK C/D

Welcome back! We hope everyone enjoyed their winter break & has had a great start to the new year! This month we will be focusing on Winter. The letters of the month are Hh, Pp, Rr, Nn and the numbers of the month are 11,12,13 and 14. During the month of January we will be starting our 2nd VPK assessment. As always, your child's attendance is very important. So please try and have your child here every day so that they can get the most out of the VPK session. If your child is sick, please make sure to get a doctors note, as each child is only allowed to miss three (3) days per month. If you have any questions, please do not hesitate to ask. We are looking forward to a great month!
