Administrator's News...

HAPPY NEW YEAR!!! I still can't believe that 2015 is here!! 2014 was a fun-filled, eventful year. Time flies when you are having fun! We thoroughly enjoyed the memories that we have made with your amazing children. The holidays were wonderful and full of togetherness and love. We hope that you had as much fun and joy as we did.

As we come to the second half of the school year the pace is going to pick up as we prepare our VPK students for their transition into Kindergarten students. Our younger students will continue with their academic and social growth. The teachers are doing a fantastic job guiding your children in their learning. A great way to assist them at home is to reinforce what they have learned during the day at school. Reading with your child is a great way to promote early literacy. We have posted both our monthly curriculum and activities your child is working on daily in the classroom. Please look at the lesson plans posted and ask your student questions and reinforce the learning while you are at home, in the car, or out and about. It truly makes a world of difference.

I would like to take the time to thank all of our parents for their kind words and appreciation throughout the holidays. It truly is a blessing to be a part of your children's lives each day. I would also like to thank all of the parents that assist and participate in classroom activities and donate for classroom events and projects. We appreciate you going above and beyond to help. On that note, I would like to inform our parents of our **PARENT APPRECIATION DAY**. It will be held on Friday, January 9th. There will be an assortment of breakfast items, coffees, and juices at the front desk to show our appreciation for having such wonderful parents!!!

Communication is so important to the success of our center. I would like to encourage all of our parents to communicate regularly with your child's teachers. If you have questions, comments, suggestions, or concerns, please feel free to talk directly to your child's teachers, myself, or Ms. Tammy. We also have a suggestion/comment box located in our cafeteria. We are here to help you and your child through these precious years of their life. Your input is always welcome and necessary. While perfection is impossible in this world we live in, we want the very best for your children. We strive to be the quality child care facility that you were searching for when you chose Wellington Academy. That is ultimately why I chose to return as the Director of the North Cape Wellington Academy. I believe in this center and the teachers. They take pride in their work and in the relationships they form with not only the students, but with the families as well. Thank you for choosing Wellington and for believing in us!
Let's make this an amazing year!

Parent Appreciation Day!!

The holidays are officially over, but we wanted to take the opportunity to thank all of our wonderful parents for their thoughtful gifts & kind words. We can't express how truly blessed we feel to be a part of your children's lives. It has been wonderful to get to know you & your children on a daily basis. We wish you the best life has to offer this New Year. With all of that said we are dedicating a whole day to just you! Friday, January 9th we will be celebrating you! Parent Appreciation Day will consist of coffee, juice, & donuts in the front office. Thank you for sharing your most valuable possessions with us.

January Curriculum

Letters: Q, R, S & T

Numbers: 0, 1 & 2

Colors: Blue & Silver

Shapes: Hexagon & Diamond

Developmental 1:

The year has come to the end already, but it feels like it just began!! We are so grateful and thankful to have your children in our lives. We want to thank all of our parents for the sweet gifts and cards. They are greatly appreciated. We want to remind you that if your child is sick, please do not send them to school. As this helps us cut back on the spread of illness. Some of our friends moved up to the two year old classroom. We will miss them dearly. We are excited to make new friends & can't wait to see our old friends on the playground. Let's make this year a fun, healthy & safe year!

Developmental 2A:

First and foremost, a heartfelt "Thank You" for all the beautiful gifts that Ms. Michelle & Ms. Mary received during the holiday season.

It is so nice to feel appreciated! Alexa, Aryanna, Ashley, Aubree, Giovanni, Lorenzo, and PJ all joined our D2-A family and we couldn't be happier. We will be sending home some information to our new parents to give you an idea of how our classroom works. Flu season is in full swing, to reduce the spread of germs we want to remind you to please have your child wash their hands when they arrive to school and also when you pick them up. Hand-washing is the first line of defense in the battle against germs. We are looking forward to the many experiences and challenges that the new year will bring. We wish everyone a happy & healthy 2015!

Developmental 2B:

We are so excited for the New Year with all of our new friends!! We will be working on letter & number recognition along with many other fun learning activities and art projects. Please make sure you are checking your child's folder daily for any art projects, daily reports or tracing activities that we have done. Each child must have a extra pair of clothes in his or her cubby in case of an accident. We cannot wait to get this new year started!

Developmental 3A:

Wow this month has flown by, and what a fun filled month it was. We made lots of fun crafts, different projects and had our holiday program!! The weather in Florida is always changing, so please dress your child in weather appropriate clothing as well as have a weather appropriate change of clothes in their cubby in case of an accident. Don't forget to LABEL everything. Thank you to all our gracious and kind parents during the holiday season. We have such a great group of children and families. January is going to be fun, learning filled month. Please help us with the learning process by practicing the letters and numbers of the month with your child at home. We cannot wait to see what the new year is going to bring us, Happy 2015!

Developmental 3B:

Thank you to all of our parents who blessed us with the best gifts ever, your children. They are the best little gifts we could receive, but we do want to thank you for all the other gifts and treats too. We are super excited for the new year, and all the learning and fun activities that we have planned. Please look at the parent board for any special classroom information. Or don't be afraid to just ask us. We are always here to talk. We wish everyone a safe and Happy New Year!!

VPK:

January is here already, can you believe it?? VPK is flying by! Graduation will be here before you know it! Please continue to help us with the learning process, by reviewing letters, numbers & sight words each month at home. Your child's cubby MUST be able to close completely, the only things that your child should have in his or her cubby is their nap stuff, and a change of clothes. Everything else needs to stay at home. Show & Tell is on FRIDAY'S ONLY!!! No toys or personal belongings should be brought to school on any other day. We want to thank all of our amazingly generous parents for the yummy treats, cards and gifts that we received, thank you for sharing your children with us. We hope this year is the best one yet!!!

NO VPK January 16th and January 19th.

**VPK will resume Tuesday, January 20th,
2015!!**
