Thank you to all our families that attended our Fall Festival! We owe the success of the evening to your generosity & participation. A HUGE thank you to all our parents and friends that assisted in the baked goods and candy donations this year. The festival was fun for all! We have posted pictures on our Facebook page. If you haven't already, please find us and "like" us on Facebook. We post pictures, inform parents of upcoming events and share interesting articles on the Wellington Academy page.

November has arrived and the year is quickly winding down. We will begin to think about families and the spirit of giving this month. The center will be holding a canned food drive starting November 7th and ending on Friday, November 18th. We will donate all items collected to a local charity in need. The classroom with the most participation will win a pizza party for their class!

Happy Birthday to all our friends celebrating this month!!!

This month the children will be learning about pilgrims and native Americans and the first feast. The children will recreate their own first feast on Thursday, November 17th, during their normal lunch times. They will make hats and eat a traditional Thanksgiving feast!

CLASSROOM NEWS

Developmental 1

It is finally starting to feel like fall. October was a great month, we welcomed a few new faces as well as celebrated Halloween and had lots of fun at our fall festival. During the month of November we will be talking about families and giving thanks. If you have not already done so, please bring in a family picture for our picture wall. The children love to see familiar faces if they are ever having a rough day. We are participating in a school wide canned food drive, please help us help others during the holiday season. As the weather starts to change, please make sure your child has weather appropriate clothes on each day as well as weather appropriate clothes in their cubby in case of an emergency. Thank you for allowing us to be such a big part of your child's lives, we are thankful to have them in our class.

Developmental 2A

Thank you to all of our families that out to the Fall Festival, we hope that you had as much fun as we did. During the month of October, we welcomed two new students into the D2A family, Felix and Anthony. It is time to bring in wipes again, please make sure you bring in a 200 count package of wipes as soon as possible. As the month comes to an end, we would like to remind our parents to empty their child's cubbies so that we can clean them and wipe away all the germs from the month! Please remember that our classroom door is always open, feel free to ask any questions or express any concerns that you may have. We are looking forward to a great month! Happy Thanksgiving!

Developmental 3B

This month we have many exciting activities planned for the kids! November 17th we will be hosting our traditional Thanksgiving Feast during your child's lunchtime where we will wear festive hats, talk about the first thanksgiving, and eat a traditional home-cooked thanksgiving meal. Starting the 7th of November we will be having a school wide canned food drive. During this time of year, it is important to teach your children about helping those who are less fortunate. Also, a friendly reminder that Wellington will be CLOSED on Thursday, November 24th and 25th in honor of the Thanksgiving holiday. We hope that everyone has a blessed holiday. As the weather gets cooler, please do not forget to label your child's jacket. Also, the holidays are right around the corner. We would like to get a head start on our shirts for our Holiday Program. So we are asking that a plain white t-shirt is brought in for each child. Thank you for sharing your child with us.

VPK A

Autumn is here! (Florida autumn that is) This month we are continuing to learn letters of the alphabet (Mm, Nn, Oo & Pp) and numbers (9 & 10). We will be making a pile of leaves to jump in and throw, so please bring in as many leaves as you can. There is a lot going on in November; World Kindness Day, Fall Feast, Trike-a-Thon, Canned Food Drive, and of course Thanksgiving Day. Be sure to check our parent board so that you'll know exactly what is going on. Wellington Academy is closed Thursday, Nov. 24th and 25th in honor of Thanksgiving. All of your involvement in your child's VPK education is outstanding. Some things you can work on at home are counting objects, how to spell sight words & noticing things that belong in a group or that do not belong. We LOVE having such a fun, smart and caring group of students. Thank you for sharing your children with us, we are grateful to be such an influential part of their lives.

VPK B

We are so excited to start the month of November, as it is full of lots of exciting activities! Thank you to all our families who attended fall festival and helped us with donations of candy and things for our party. We are so appreciative. Trike-a-Thon is going to be Friday, November 18th, all the proceeds from this event are donated to St. Jude's Children's Hospital. Students may bring their bike from home, but they must wear a helmet. There will be donation sheets posted later in the month for things such as water and fruit. You can't celebrate Thanksgiving without PIE! We will be having pie tasting, please keep an eye out for a sign up sheet on our parent board. Not only is there many fun activities planned, but there are two special birthdays this month. Ms. Haydee & Ms. Ashley's birthdays are both on Nov. 24th. Friday, November 18th after trike-a-thon we will be having a birthday celebration!! We hope everyone has a great, food filled Thanksgiving!

VPK C/D

Happy November! We had great fun during the exciting month of October. During the month of November we will be focusing on families and being thankful. We are asking that each child bring in a family photo. We will be working on the letters Qq, Uu, Ss, Hh and Bb, the numbers 9 & 10 as well as the shapes triangle and heart, along with the colors purple and brown. We will be having our annual Thanksgiving Potluck Luncheon, on November 22nd at 12:15pm. This is a great opportunity for families to meet and for the kids to make new friends. It has been a huge success in years past and this year will be no exception. This event will be held on the playground. More details will be given out as it approaches. We are thankful for all our wonderful students and their dedicated families.
