Administrator's News...

You can tell by the weather outside that summer is well on its way! Last month flew by. It's hard to believe that we are almost half way through the year. The end of our VPK program is quickly approaching and our students are gearing up for their Graduation ceremonies. This year the ceremonies will be held on Saturday, June 6th at Island Coast High School. We look forward to celebrating our VPK graduates and all of their academic accomplishments!

Teacher appreciation week is May 4th through May 8th. This week would be a great time to express to all teachers just how important they are in the lives of our children. I would personally like to thank all of the teachers of Wellington Academy for all that they do to ensure that our students are loved, protected, and educated. I am proud of you all! I see the love and dedication that you give every day to the students in your care.

Water days are right around the corner! This year water days will begin on June 22nd. Within the coming weeks, we will post water day schedules for each classroom. Water days are fun for all and help so much with keeping the children cool during the hot summer days.

Thank you to all of our parents that continue to generously donate ice pops for the students. The children LOVE to have ice pops after outside play.

Our 2015-2016 Fall VPK program is nearly full! Students must be age 4 by September 1st to participate in the program. Vouchers for eligible students should be turned into the front office as soon as possible to ensure a spot.

On a personal note, this month marks a year that I have been back to the center. While this job can be busy and challenging, I absolutely LOVE it! I love the students and families, my staff (especially Ms. Tammy), and the fun we have every day! Thank you for being a part of our Wellington family.

Let's have an incredible month!

Ms. Melissa

**Happy Birthday to all
our special friends
celebrating this
month!!!**

Colors: Black and Green

Shapes: Rectangle and Oval

HAPPY
MOTHER'S
DAY

CLASSROOM NEWS

Developmental 1

We want to wish all of our beautiful Mothers and Grandmothers a very Happy Mother's Day!

We would like to welcome a new friend to our class, Luke. We are so happy you have joined our family.

This is going to be a very exciting month with our passport to travel theme. We will learn about different ways of traveling and exotic destinations.

Please help us replenish our supply of ice pops as we all enjoy a cool treat on HOT summer days.

Developmental 2A-

April showers bring May flowers and our flowers are growing quite nicely! We have been watering our flowers every day and watching them get bigger and bigger. In April we learned all about different animals and where they live. Our favorite book of the month was the classic, "The Three Little Pigs". In our version, no pigs were harmed and the children thought it was hilarious when the Big Bad Wolf ended up stuck in the chimney! The month of May is about travel. We will be exploring ways to travel and places to go.

We would love for the children to bring in vacation pictures to share with the class. This will encourage the children to talk about their travel experiences and where they would like to visit. Please remember that we are not allowed to have plastic bags in the cubbies. We received recyclable bags from Publix for Earth Day. We will be using these to send home dirty clothes. We would like everyone to bring in a box of inexpensive gallon size Ziploc bags that we will keep in our bathroom. Clothing that needs to go home will be placed in the Ziploc bags and transported home in the Earth Day bags. Thanks for your cooperation. Happy Mother's Day to all of moms and grandmothers. Have a great month.

Developmental 2B -

Another month already flew by! Now we are starting the month of May with new friends! We want to welcome Jasmine, Derek and Emiko to our class. We are so happy to have you! We would like to ask parents for donations of extra clothing that no longer fit your child? We would really appreciate them! Also, please make sure all of your child's belongings that come into the school are labeled with their name or initials to prevent misplaced items. We have a lot of exciting projects planned including "Traveling" to different places! Please keep an eye on our parent board. Thank you we love you all! Happy Mother's Day

Developmental 3A -

May is here! The weather is heating up as well!

Please make sure your child has weather appropriate extra clothes in their cubby. We would like to welcome Ms. Jessica, as well as Ms. Virginia & Ms. Ashley to our class! We are happy to have you!! During the month of May we will be traveling the world, So please keep an eye on our parent board as we may need your help. Please send in a family picture for our family tree if you have not already. We love looking at our family pictures.

Happy Mother's Day to all our Moms, Grandmas, & to all those who are special in the life of a child. We appreciate all you do! We hope you have a great month!

Developmental 3B

We had a very exciting month last month, exploring animals in action. We added some new friends to our classroom in the science center. We now have a frog tank. The children seem to be enjoying it very much. We are looking forward to traveling around the world and enjoying the cuisine of each land we visit. Keep an eye on our parent board for information and requests.

We would love to take the time to wish all of our Wonderful Mommies a very Happy Mother's Day

VPK A & B

Can you believe in just a few short weeks graduation will be here?!

Please remember to bring in a baby picture as we would like them for our graduation ceremony. You can also email them to the school (northcape@wellingtonacademyschools.com).

Please let us know where your child will be going to kindergarten in the fall. We like to post this information so students can see where their friends are going. This month is Passport To Travel, we will be traveling around the world. Please keep an eye out for our parent board as we will have a sign up sheet for fun food projects. We can't thank you enough for all that you do. We would like each child to bring in a **reusable** water bottle with his or her name on it to take outside. No plastic disposable bottles please.

VPK C & D

Welcome May! Graduation is right around the corner. We will be reviewing vowels, numbers 0 -10, rectangle and oval shapes & the colors black and green. We will be focusing on Passport to Travel!

Our graduation rehearsal dates for both classes are as follows, May 4, 6, 8, 12, 14, 19, 21, 26, 28th and June 3rd. Times will be 9:30am to 10:30 am (Time and dates may change). The afternoon class should be promptly picked up after rehearsal. We need old magazines & newspaper ads with pictures of clothes. Thank you to all of our parents for all of your support!
