Administrator's News...

What a wonderful time we had during the month of April, from coloring eggs to learning all about spring! I want to congratulate all our Bonnet Parade winners! Every bonnet was beautiful and so creative. It was so hard to choose. Thank you for participating with your child. April showers bring May flowers, it is time to welcome the month of May...

Isn't it hard to believe that it is almost the end of the school year and that it will soon be time to send our VPK graduates off to kindergarten! Where does the time go? Our Wellington students have learned so much this year as some of our proud VPK parents will soon see at our Graduation Ceremony to be held on May 23rd at Island Coast High School at 7pm. Our theme this year is Dr. Seuss.... "Oh the places you will go," Wellington Students!

Our teachers dedicate their lives to teaching and guiding our children. Their passion for education and their love for these children makes them very special. We would like to recognize each of our teachers for their devotion. Please join us in honoring our teachers May 5th-May 9th during Teacher Appreciation Week!

Just a few reminders....Warmer weather is approaching! Just remember to dress your child in weather appropriate clothing. If it is cooler in the morning, you may want to dress your child in a light jacket so it can be removed when it starts to warm up. Also, our kids love ice pops as a refreshing treat after outside time. We would appreciate any donations of ice pops!

We are starting to prepare for our summer alumni program. Please let us know if your child will be attending so that we have an estimate on how many children will be attending!

Our children learn so much in the classroom especially during the morning. Please try your best to have your child here by 9:00am so that they will not miss out on all of the fun learning and activities that their teachers have planned.

I want to wish all our Wellington mommies, a VERY Happy Mother's Day!! Thank you for all you do for your children!

May 2014

May 5th-May 9th.....Teacher Appreciation Week

Letters: Vowel Review

Numbers: 0-10 (D1 & D2)

10-20 (D3, VPK, D4)

Shapes: Rectangle & Oval

Colors: Black & Green

Developmental Ones

As promised,, April was a busy month filled with fun activities. Congratulations to Rosalie & Sammy for our Easter Bonnet Parade. Everyone did an amazing job, and our parade was a huge success. We truly appreciate all the efforts that our parents make to ensure that our class has whatever we need. You are always generous with party donations and understanding about how many wipes we go through in a month, we thank you! Happy Mother's Day to our awesome mommies, you ladies rock!!!

Developmental Three A

April was a very fun filled & adventurous month, even though May is going to be just as fun! Our theme for the month is "Passport Around the World", so we are going to be traveling all around the world learning about different places in the world! If you have any pictures or items that are from around the world, we would love for you to bring them in so we can talk to the children about them. Per DCF rules your child's cubby MUST be able to fully close...the only items that should be in their cubby are: a crib sheet, a blanket, a small "lovey", and an extra change of clothes in a Ziploc bag. Friday's is the only day that your child may bring in a toy from home. Please do not allow them to bring in a toy on any other day besides Friday's. Thank you for all your help & support, we appreciate it!

Developmental Two A

Wow! What an eventful month we had! We enjoyed doing so many fun things with our class. We colored eggs, went on and egg hunt and marched in the Easter Bonnet Parade. Congrats to Taylor & Lizzy for being the classroom winners in our bonnet contest. Everyone did an awesome job. Since April is already over we're now welcoming the month of May. In this month we will be discussing traveling around the world and the places there is to see! We'll go over our numbers 1-10 and our vowels too. The shapes of the month are the rectangle and the oval. We also want to go over our table manners and work on our fine motor skills. Each month we go over something new with our awesome group of kids! We are asking for snack donations in bulk for our room. We have 20 friends. We greatly appreciate your kind donations! You all are awesome!

Developmental Three B

From April to May we have a passport to travel!! We will be having themed cooking projects as we will be "traveling" to different countries. Be sure to check out the parent board for sign-ups. We have a special project planned for Mother's Day. We are working on our second session progress reports and they will be out some time this month. We hope that you enjoy your long Memorial Day weekend. We are still in need of donations of wipes for our faces and hands. The weather is getting hotter, so make sure your child has a weather appropriate clothing! We appreciate all that you do.

Developmental Two B

Wow, we had such a fun April! We loved seeing all of our amazing Easter Bonnets and we had lots of Easter fun! We welcomed Ms. Mandy into our classroom and we are so happy to have her! May is all about travel and learning about different places around the world. We will be practicing our vowel sounds, numbers 1-10, rectangles, ovals, and our colors green and black. We are looking forward to a great month!

Developmental Four/VPK

This month is going to be a very busy, but fun month! May 23rd is our Graduation Ceremony, at Island Coast High School at 7pm. If you have not yet brought in a baby picture of your child, please do so ASAP. Keep checking your child's parent board for more information and last minute details. We are very sad that the end of the school year is coming to an end, but we can't wait to see our munchkins grow and prosper in kindergarten. Please keep practicing your child's sight words and reviewing their letter & number recognition, this is very important once they get to kindergarten. Per DCF, your child's cubby MUST be able to fully close...the only items that should be in their cubby are: a crib sheet, a blanket, a small "lovey" and an extra change of clothes. We can't wait for this fun and exciting month! We appreciate all your support and help in your child's education!

**Wellington Academy will be
CLOSED Monday, May 26th
in observance of Memorial
Day!**
