Administrator's News

Love is definitely in the air here at the center this month! We had a great start to 2017. January was full of fun activities and learning. This month our lesson plans will focus of "Healthy Habits." Our teachers will be teaching the children all about living healthy lifestyle and staying healthy.

This month our students will participate in exchanging Valentine's Day cards during their Valentine's Day parties. We ask that all students address their cards TO: "a friend," FROM: "your child's name". This ensures that no child will be forgotten.

On Friday, February 10th, we will be hosting a PARENT'S NIGHT OUT!!!! The children love the pajama party! This evening is a fun atmosphere for the children and a great chance for our parents to have some fun too! The cost is \$15 per child and siblings are always welcome! We provide dinner with a side of fun. Pre-payment is required for PNO & must be made in CASH, to the front office NO LATER than Wednesday, February 8th in order to ensure enough food and supervision for the evening!

For our VPK only students, there will be NO VPK classes held on Monday, February 20th and 21st.

Picture Days will be next month, please keep an eye out for flyers regarding dates & your child's assigned day!!

We look forward to the fun month ahead.

Happy February! We had a great start to the new year! We would like to welcome Quenton, Montgomery, and Stella D. to our class! We are so happy to have you! Thank you for your help with our 200 count wipes, we appreciate you! Please be sure to keep an eye on our parent board, as we will be having a party for Valentine's Day! Our classroom is in need of magazines for art projects, as well as any books you would like to donate! Thank you! As always remember to label ALL of your child's items. We hope you have a great month!

Developmental 2A

January has flown by with an excellent start to the New Year. Our children are settling into a productive routine of learning. New friends, Carmelo, Stella and Luke joined us from the D-1 classroom and new friends, Willow, Carter, Alma, Austin and Rylan also joined our class! While we continue to work with the class on basic skills, such as numbers, colors and shapes, we are also introducing more advanced skills such as reasoning, making choices and expressing feelings with words. Continue to work on these skills at home with your child as well. Also, an important reminder to everyone is to please make sure your child has a warm jacket for outside activities. We go outside every day. The children are developing their gross motor skills. Starting this month, we each child will have a folder that we ask you to check regularly, as it will have your child's art work in it, as well as any handouts or flyers. Our Valentine's Day party will be on Tuesday, February 14th. A sign-up sheet will be posted for anyone who would like to contribute some sweet treats. We hope that you have a love-filled February!

Developmental 2B

Love is in the air! We cannot wait to start all of our Valentine's Day projects. If your child would like to bring in Valentine cards to exchange with their friends, they are more than welcome to! We have 24 friends in our classroom. Please remember to keep your child's cubby stocked with extra clothes, that are weather appropriate!!! All cubbies must be able to close completely. And everything must be easily accessible to your child. This helps to build their independence and self help skills.

Developmental 3A

Welcome to February! This month is all about healthy habits, eating healthy, good hygiene and much more! Please continue to practice pencil control with your child at home, and also go over letter recognition and phonetic sounds as well. We can't forget about Valentine's Day. We have 24 children in our classroom, so if your child would like to bring in Valentine's they are more than welcome too. Please continue to label all your child's clothing and bedding that gets brought into school, to ensure it does not get lost. Thank you again for all that you do and we cannot wait to see what the month has in store for us!
