Administrator's News...

This time of year is always difficult for me. While I know that our VPK graduates are ready for Kindergarten, I am not ready to say goodbye! I would like to congratulate all of our amazing graduates. The students have put in a lot of hard work and dedication this year. Graduation is going to be phenomenal!! I would like to thank all of our parents for their continued commitment to partnering with us to ensure your student's academic success. I would also like to say a HUGE thank you to all of our fantastic teachers. I know all of the hard work that was put into our students education and I am beyond grateful.

Summer temperatures have already begun to soar! Water days will begin on Monday, June 20th. We have included information regarding water day in this months newsletter. Please refer to the flyer to determine what day your child will participate in water day.

Thank you to all of our generous parents for donating ice pops to the center. The children love ice pops after outside time.

Father's day is celebrated this month! I would like to wish all of the amazing dads of Wellington Academy a day full of fun and love. Please refer to the schedule to see which day your child will be celebrating by having "Beer and Dogs with Dad."

We have had a great school year and I look forward to a fun summer.
