Administrator's News...

Is it Fall??? The calendar says it is but the temperatures leave me unconvinced! September was a wonderful month that just flew on by. Thank you to all of our families that joined us for Parent Orientation. It was a great evening for our teachers and families. We are so proud of the students and we can already see that this year will be an amazing school year filled with parent involvement! This month is one of our favorites at Wellington! Our annual FALL FESTIVAL is Friday, October 23rd at 7pm. We are requesting donations of individually wrapped bags of candy for our trick-or-treaters. There will also be a sign-up sheet on the front desk for baked goods for the cake walk. We appreciate any and all donations. We can't wait to see everyone in their costumes. Friday, October 30th @9:30 our students will participate in our annual Mask parade. All are welcomed and we hope to see you there! We want to remind parents that children should NOT wear costumes this day.

Progress reports will be distributed Friday, October 30th. These reports are completed on each student by their teachers. The results of the progress reports assist us in gauging our curriculum and to determine the growth the children have accomplished academically. Our goal at Wellington Academy is to make learning a fun process in which children develop a positive self-esteem about themselves and about learning. Please sign & return the progress report to the Front office by no later than Friday, November 6th. If you would like to meet with your child's teachers, please fill out a conference request form (located at the front counter).

Lifetouch Portraits will be here Monday, October 12th – Wednesday, October 14th. Please check the posters to determine what day will be your child's portrait day. Please take time to pick up this month's family project on the front counter. Use your imagination & spend time as a family creating a masterpiece! We are asking that you return it once finished so we may use them to decorate our front reception area.

We know that this month is going to be so much FUN! We hope to see EVERYONE at the Fall Festival!

Developmental 2A

September was an exciting month as we learned about the people who help us in our community. Thanks to the parents who brought in their work pictures. So far, we have received pictures for five out of the fifteen children in our class. It is not too late to bring in a picture! We welcomed our new friends Jonathan and Mya to our class and Ms. Michelle celebrated her one year anniversary of being at Wellington. It was exciting to see so many parents attend parent orientation. We want to keep the lines of communication open regarding your child’s progress in school. Individual progress reports will go home by the end of the month. October is always a fun month with the highlight being our annual Fall Festival on the 23rd. A big “thank you” to Sophia’s mom for donating the decorations for our room. We will be having a Halloween party for the kids on Friday, October 30th. Have a “boo-tiful” month!

VPK A—October is already here, and with it, we hope will come cooler weather. In these past two months we have made outstanding progress academically. This month along with our four new letters (Ii, Jj, Kk, Ll) we will be working extra hard on recognizing numbers and our printed last name. The theme this month is "Nature" so we are going to collect leaves to make a pile and throw them in a true Autumn fashion. Our annual Fall Festival is October 23rd at 7pm. We hope to see you ALL there! If you would wish to donate candy for this event, please bring it to the front office. The mask parade is Friday, October 30th at 9:30am and it is a great photo opp. Speaking of pictures please remember our picture day is the 12th. We want to thank all of our parents for your involvement in your child's education. Please continue to review letters and numbers with your child any chance you get! The interest you show in your child's academics shows through in the classroom and sets a great example for them to care about their education as much as you do! We thank you again!
