Administrator's News...

I LOVE Spring time!!! March was a wonderful month! The students enjoyed so many fun-filled activities. Egg coloring, egg hunts, and an amazing Easter bonnet parade kept our students very busy and entertained. A huge thank you to all of our families for their donations of candy and eggs, your kindness helped make our Easter activities successful! I admire and respect each and every teacher for all of their hard work and dedication. I would like to thank all of the amazing teachers here at Wellington Academy. I can't thank these amazing teachers enough for all that they do for the students. Next month, May 4th through May 8th, we will celebrate teacher appreciation week. Please take time out next month to recognize these amazing people and the work they do to make our student's lives better. Ps. I can't forget Mr. Mike and the way that he goes above and beyond each day to ensure that all of our children are well fed! I am blessed to work with amazing people!

It is hard to believe that our preschool graduation is quickly approaching. The ceremony will be held at Island Coast High school on Saturday, June 6th. We are still working out times but will announce them soon. Every year I tell myself I will not cry.....every year I do!

Let's have a great month! Happy Easter!

Ms. Melissa Flores-Skerczak

Happy Birthday to all our special friends celebrating this month!!!

Spring Break:

There is NO VPK March 27th-April 6th. If your child is a VPK ONLY they will not have school these days.

*****Don't forget that this week the tuition for WRAP AROUND children changes.....Full Time care is \$160, and part time care is \$120. Thank you for your understanding!!!

April Curriculum

Letters: Review Pp-Zz

Numbers: 9 & 10 (D1 & D2), 20 (D3 & VPK)

Colors: Grey & Brown

Shapes: Triangle & Rectangle

HELP!!!!

We LOVE donations...If you have any old big t-shirts, or books that you no longer need, we would greatly appreciate it!!!!

Developmental 1— Spring has sprung! We are very excited to get this season full of fun and new beginnings started. We want to welcome all the new friends that have started in our classroom. Your children are a joy to have everyday and we love being in their lives. Don't forget that each child needs to have changes of clothes in his or her cubby in case of an emergency. Parents please help us cut down the germs and illness in our classroom by keeping your children home if they are sick. We hate to see our babies not feeling well and in pain. We appreciate all that you do. We are so grateful to have you and your children be apart of our family.

Developmental 2A— Spring is finally here!! As we celebrate Easter, we begin to focus on our thoughts on rebirth & renewal. The children have been growing plants. We helped the children plant some flower seeds and have been watching them everyday to see if they are growing. Now that we are in the month of April, we will be learning about different types of animals. We will look at animals that live on a farm, animals that live in the jungle and animals that fly or swim. The last week of April, we will learn about animals that make good pets. If you have a pet at home we would love for you to bring in a picture of your child and their pet to share with the class. Parents, remember that you are your child's first and most important teacher. Spend time with them each day doing activities that will help them learn to focus and increase their attention spans. Reading, coloring and painting are all great things that you can do with your child to give him or her the one on one attention. Have a beautiful spring break!

Developmental 2B— It is a shame to see March go after all the fun we had with all our festive activities! We are very excited to get started with our April projects and activities. For all our parents that have children who are potty training: please make sure that you bring in plenty of extra clothes, because accidents do happen. Keep checking our parent board for any upcoming announcements or donation requests.

Developmental 3A— This past month flew on by, between all the birthday celebrations, fun Easter activities and lots more. April is going to be just as fun, as we jump into learning all about animals!!!! Look on our Parent Board for any sign ups that we have. We greatly appreciate all of your generous donations and help with activities. We couldn't do it without you. Reminder, Wellington Academy is closed the 3rd of April for a teacher in service day.

Developmental 3B— Happy April! This year is flying by. Thank you to all our parents who helped us with our spring and Easter projects. We would not be able to do fun activities and projects without you, so we greatly appreciate all that you do. Please do not forget that each child needs to have a sheet to cover their mat as well as an extra change of clothes in his or her cubby. If anyone has any books or any learning games or toys that you may not want anymore we would be forever grateful! We cannot wait to see what this month has in store for us. Thank you for letting us be such a big part of your children's lives.

VPK A & B— It is hard to believe that it is already April. This year is just flying by. It is going to be time for graduation before you know it. We are starting to focus more on Kindergarten preparation, so please help us at home by reviewing the sight words of the month, letters, numbers and letter sounds. Extra practice is always good!! Please do not forget that each child needs to have an extra pair of clothes in case of an emergency. Your child's cubby needs to be able to shut completely. Thank you to all our parents who have donated items for our classroom, and that help us make our cooking projects possible, we wouldn't be able to do it without you!! We are so grateful to be apart of your child's life.

VPK C & D— Goodbye March & hello April. This month we will be reviewing the letter Pp-Zz, the number 20 and the colors brown and grey. We are going to be focusing on animals, all types and kinds. We have all sorts of fun activities and crafts planned! The kids had so much fun during all our Easter activities, and we hope that you enjoyed your spring break. Thank you to all our parents that donate food and items for our classroom. We greatly appreciate it, and we wouldn't be able to do what we do without you. You guys rock!!
