Welcome summer! Our infants are growing and developing more and more each day. Annabelle is taking some steps, keep going! Reid and Ella are waving to their friends and teachers. Grey loves dancing, shake it. Brayden is starting to stand by himself. Blake is sitting on his own. And Benjamin is rolling over. We love watching all their milestones, can't wait for many more.

Come & Swim along with all the creatures of the deep blue sea! This month we will be talking about the ocean and everything that lives in it. We will be having lots of fun and welcoming some new friends along the way. Reminder to keep a look out on the door and dailies for any upcoming events. Let's get ready for a fun summer.

Thank you,
Ms. Tiffany & Ms. Melissa

Development 3A's News

Hello Parents! It's that time of year when we welcome the Hot temperature of summer. We will be turning up our fun activities as well as testing new techniques for learning. School is out, but our brains never stop. We have 6 friends moving up to our VPK class. We are truly going to miss Easton, Trevion, Michael, Chloe, Sophia & Lillian M.M. We know they are going to adjust well and share their skills with their new teachers. All six of their unique personalities will be a great asset to VPK.

The summer heat is a joy to play in but can be rough on our skin. So we ask that all sunscreen be applied generously to your child before arrival (due to medication policy). We can not apply for you without a doctor's order.

Just a reminder, Please keep a change of weather appropriate clothes in your child's cubbie. We look forward to another exciting and wonderful month with your child.

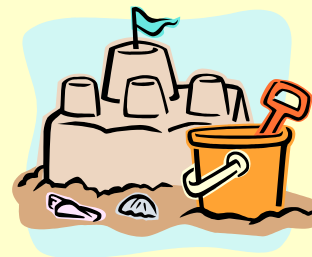

Thank you,
Mrs. Cherie & Ms. Janell

Development 1's News

It's June, summer is finally here! This month we'd like to welcome Bryanna and Annabelle to our room. Also a very happy birthday to Logan! We're going to be exploring sand, sea, and sun. We will also be learning about the beach, sea animals, and other fun in the sun activities. Our food project this month is an ocean in a cup (blue jello). Reminder that the weather is changing quickly so please make sure your child has weather appropriate clothing in their cubby. Keep a look out on the door and dailies for any upcoming activities. Remember to take home sheets & blankets on Fridays for cleaning.

Thank you,
Ms. Caitlin, Ms. Desiree & Ms. Corrina

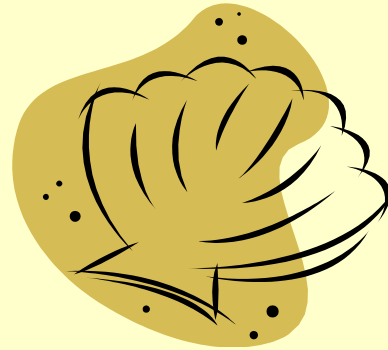

Wellington Winner's News

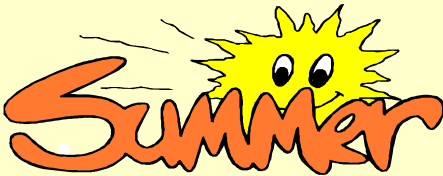

Welcome new and old friends! We have a lot of exciting events ahead of us. Summer Camp 2014 will be the best thus far. Get ready to go camping with our camping totes. Let's rock and roll as a Rock Star for a day at our very own concert. During our carnival fun day, there will be arts and crafts, snacks, carnival games and face painting. As always we will be experimenting, exercising, and exploring each day. Just a reminder, children can bring in games rated E and G rated movies. Please check your child's files, cubbies and door for any upcoming events and dates. Looking forward to a fun filled summer!!

Thank you,
Ms. Russ & Ms. Trista

VPK News

Well VPK has come to an end. We are so sad to say goodbye to some of our friends. We will miss each and everyone of you. Good luck on your new journey, and please keep up the reading and math skills.

With the school year ending and the summer beginning we will be welcoming some new friends and a new theme, Sand, Sea and Sun. We have lots of fun activities planned.

For our new friends remember our cubby space is very limited so please label all belongings. The cubby should have a change of clothes, sheet and blanket. We ask that no outside toys be brought in except on Fridays for show & tell and they should be theme related. We have cooking activities every Friday, so please don't forget to keep an eye on the classroom doors for and upcoming events.

Thank you,
Ms. Devi, Mrs. Julie & Mrs. Sonya
