## Administrator's News...

Wellington Academy would like to say Thank you all so much for all the generous food donations during the month of November. We would like to challenge you once more and ask you to hand make a christmas wreath with your child for the month of December. It can be a decorated wreath, snowman or gingerbread house, etc. Use your imagination and enjoy spending this quality time with your child/family, after all this is what the holidays are all about "Family".

Enjoy your time together. We at Wellington Academy Wish you, the very best this holiday season and a very happy new year. Let's all be safe and continue with all the wonderful celebrations ahead.
