Love is in the air as we slide into February. Our classroom learning activities are paying off, so we will be adding a new challenge to our curriculum such as more name writing skills, color spelling and suggestions for help at home.

Our little ones are smart and always ready to learn new things. We will continue our art projects & fun cooking activities. Thank you for all your support in making our activities a success.

If you have any easy cool ideas to share that are theme related we would really appreciate hearing from you. Parents keep in mind our tropical weather is unpredictable so please keep a set of appropriate clothes in your child's cubbie and extra ones accidents happen. Reminder to check your child's file box and our parent info board for upcoming activities and important dates.

Thank you,
Ms. Cherie & Ms. Janell
