Administrator's News...

Healthy Habits is what's going around! Healthy eating, exercising and good hygiene, let's get moving and have some fun. Let's not forget this is the month where "Love" is in the air. Parents we need your help with keeping the germs at bay. Please as you walk in with your child make sure they wash hands before starting their day. This will help keep our environment germ free. Parents if your child is showing any symptoms of a cold please contact your pediatrician. Better safe than the "FLU". Parents our parking lot is a "One Way", please adhere to this.

We've had more than one accident because of parents not following the sign. Safety is our number one concern and it should be yours as well. Please follow the "One Way" sign, eyes are watching. One more issue we are having is children being left in the car unattended. Parents we all know that this is a major "No". If you are leaving your child unattended we have been instructed to call family services, we have already been contacted by them with concerns and complaints from other parents. Any questions please do not hesitate to come to us.

Parents you can also read this newsletter online at wellingtonacademyschools.com Enjoy!

Thank you,
Mrs. Millie or Ms. Shannon

Infant News

Love is in the Air!!!

We would like to welcome Reid. We are excited to have him in our class and get to watch him grow. Congratulations and a sad good-bye to Juan, he has moved to the toddler room. He will do great! Neymar is transitioning to the toddler room as well; he is enjoying his new and old friends, and enjoys the new toys. Alexis is finally sneaking a few steps, she doesn't want leave us. Annabelle & Erik are pulling up on the shelves and toys. Brayden is having a good time sitting on his own and playing. Ella & Grey love making lots of music with the instruments.

Thank you,

Ms. Brandi, Mrs. Lorena, & Ms. Yumiko

Development 2's News

Hello! This month we will be talking healthy habits, yummy foods and exercise. We would like to say a "Big Welcome" to all of our new friends. Parents please be sure to check files daily and keep an eye on your parent info board for any upcoming events. We also ask for your child to be in attendance by 9am. This will help us get our day started smoothly and with no interruptions.

Thank you,
Ms. Tiffany & Ms. Melissa

Development 3A's News

Now that we've started the New Year off with an Artic chill, we are moving into February. Throughout the month we've learned a lot about winter. The month of February brings a new theme, Healthy Habits. This is a great opportunity to teach our little ones about tons of healthy tips. We will learn about eating fruits & vegetables, good hygiene, physical activities and much more. Our cooking activities will continue and support a healthy diet. We truly appreciate your help with the supplies for our cooking activities. If you have any yummy ideas to share, please do so.

We all love our tropical weather, so please keep a change of clothes with underwear in your child's cubby. Accidents happen would like to be prepared. Thank you for all your support in helping keep our class running smooth.

Remember to read the door and check your childs folder for any upcoming activities.

Thank you,
Mrs. Cherie & Ms. Janell

Development 1's News

We have a few new friends in our class, two of which have moved up from the infant room, Juan and Neymar. Our other two new friends are Grayson and Joey. Let's welcome them and their families to our room. This month is all about health and nutrition. We will be teaching hand washing, blowing noses, keeping toys out of mouths and also brushing teeth. If you can please bring in small children's tooth brush for your child so we can help them with teeth brushing skills.

Also this month we will be focusing on numbers 3, 4 & 5; the letters U, V & W; the colors red, pink & white and also the shapes rectangle, octagon & heart. We would like to wish Nathan a very happy birthday on the 11th. He will be 2 and soon adventuring to the 2's classroom. We thank you parents for being so great and understanding; let's continue having a great year. Please keep an eye on the door and dailies for any upcoming happenings.

Thank you,
Ms. Alyssa, Ms. Caitlin and Ms. Desiree

Developmental 3B's News

This month's theme is Healthy Habits, and we would like to start off by inviting you to come in and talk about some healthy habits. Such as tooth brushing, good eating habits and much more. We will also be doing a taste test, measurements of fruits & veggies, and some seriously silly art.

Please check the door and your child's folder for details. Don't forget if you would like to come in and talk to the class about this theme please see Ms. Russ for more information.

Thank you,
Ms. Russ

VPK News

We had so much fun with winter wonderland. Hope the cold will be over soon. We have learned so much about snow, ice and winter animals. Now we are ready for our Healthy Habits, Valentines Day, Presidents Day and Groundhog Day. Show & Tell can be any of these holidays or theme based. The kids really enjoy show & tell, so please help make it a success.

We will be having a Valentines class party on Feb. 14th. We will have a card and treat exchange also on the 14th. Don't forget to label all your child's belongings. Be sure to read door and dailies for more information.

Thank you,
Ms. Devi, Mrs. Julie & Mrs. Sonya
