Healthy Habits is what's going around! Healthy eating, exercising and good hygiene, let's get moving and have some fun. Let's not forget this is the month where "Love" is in the air. Parents we need your help with keeping the germs at bay. Please as you walk in with your child make sure they wash hands before starting their day. This will help keep our environment germ free. Parents if your child is showing any symptoms of a cold please contact your pediatrician. Better safe than the "FLU".

Parents just reminder tuition is due on **Friday** for the following week. Let's avoid those late fees. Also there is a \$100.00 referral credit to your account every time you refer a family to Wellington Academy.

Thank you for all your cooperation and sharing your children with us.

Parents you can also read this newsletter online at... wellingtonacademyschools.com Find and like Wellington Academy on fb to view pictures from all the fun activities that your child experience. Enjoy!

Development 3A's News

Love is in the air, and February is here! This month we will be looking forward to a great theme 'Healthy Habits'. From choosing to eat 'good' food vs eating 'bad' food. We will also talk about how important it is for our bosies to eat healthy. Parents, if you have a healthy theme related story that could be incorporated into our theme, please feel free to share. Thank you in advanced.

Friday February 13th, 3A will be exchanging Valentine cards. Please be sure to write your child's name on all the cards. We will be asking for healthy treats that will be given during snacks and lunch (in replace of cupcakes and cookies). A sign up list will be posted on our door. Thank you all for everything that you do, and for helping us to make every month a special time for your children.

Thank you,
Ms. Janell & Mrs. Cherie

Developmental 3B News

This month's theme is healthy habits.

One of the ways we would like to introduce this theme is by inviting the parents to come in and talk with us about healthy habits, nutrition, proper teeth brushing, exercise and more. This does not have to be your profession just come join us and have fun learning with us. We will also be doing some exciting math & science projects like milk tasting and the benefits of drinking milk. Counting our teeth and comparing the results with the class. Also a home project making healthy apple sauce and writing a journal, you'll have a delicious fun time. Please remember to check the door and your child's file for upcoming activities.

Thank you,
Ms. Russ

Kitchen News

**Reminder, lunch bags need to be labeled and include ice packs. Please also label all items in lunch bag as well.

Parents with 'special' milk, please send in a new unopened carton of milk on Mondays and take home on Fridays. Unfortunately some have gone bad being left over the weekends.

Any special dietary needs please send in a menu. Any concerns with food or milk please feel free to stop me or leave me a note. Remember any items left in the refrigerator after Friday will be discarded.

Please take home all cups, containers, lunch bags on a daily basis. We wouldn't want to discard your belongings (labeled or not), we just do not have the space to store.

Thank you,
Ms. Brandi
