3-2-1 Blast Off! We would like to welcome you to another new month, the month of July. This month we will be teaching your little ones about space. We will be learning about different planets, stars, galaxies, you name it.

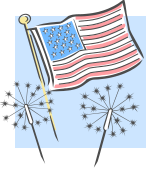

The colors we will be focusing on are red, white and blue. For alphabet fun, we will study words and sounds with M-Z.

We will also be incorporating more music in our classroom routine. Learning about different instruments and the sounds they make will be exciting. Please feel free to share any ideas you might feel we would love your input. Summer is officially here and our weather is always a factor in our plans, so please be sure to keep the appropriate extra clothes in your child's cubbie. Thank you for all your participation in our cooking activities, we appreciate you and all you do.

Thank you,
Mrs. Cherie & Mrs. Janell
