Hello parents, we are now done with healthy habits & love in February. We had a fun time learning about healthy foods, fruits, vegetables and sweet treats to top it off. Our new monthly theme will be spring. We will bring March in with lots of sunshine, flowers & rain of course. Being that we live in the sunshine state , we'll have no problem coming up with creative ideas for cooking activities and art. Your ideas and suggestions are always welcome. As a reminder , due to weather changes, please make sure that extra clothes are weather appropriate. Please label sheets and blankets as well. We thank you for all your participation with our cooking activities. We're looking forward to an awesome month.

Happy birthday Elle & Mairead

Thank you,
Ms. Janell & Mrs. Cherie

Developmental 3B News

For the month of March our theme is spring. To introduce this theme to the class we will discuss the transition from winter to spring. We'll learn the parts of a plant and how they grow. The difference between butterflies & moths is an inchworm a worm or a caterpillar. We will follow the lifecycle of a caterpillar to a butterfly in our classroom butterfly tent. We will also talk about the four stages of the life cycle; egg, caterpillar, chrysalis, and butterfly emerging from the chrysalis.

Please remember to keep an eye on the door and your child's file folder for upcoming activities.

****Please NO toys, only on show & tell day and must be theme related.**

Happy birthday Lily & D'Andre!

Thank you,
Ms. Russ

Kitchen News

****Reminder, lunch bags need to be labeled and include ice packs. Please also label all items in lunch bag as well.**

Parents with 'special' milk, please send in a new unopened carton of milk on Mondays and take home on Fridays. Unfortunately some have gone bad being left over the weekends.

Any special dietary needs please send in a menu. Any concerns with food or milk please feel free to stop me or leave me a note. Remember any items left in the refrigerator after Friday will be discarded.

Remember to inform your childs teachers of any changes also.

****Please take home all cups, containers, lunch bags on a daily basis.** We wouldn't want to discard your belongings (labeled or not), we just do not have the space to store.**

Thank you,
Ms. Brandi
