We would like to warmly welcome all families, both new and old to another month of learning and fun! This month we will be learning about Community Helpers. We are inviting parents to come in our class to read or share about your job. Please let us know in advanced if you are interested.

We would also like everyone in our class to be potty trained and use the potty regularly. In efforts to reach this goal, we will be potty training all in pull-ups the second week of the month. Please be sure to keep an extra set of clothes and shoes in your child's cubby at all times as well as for the ones who will be potty training.

Thank you so much for your support and we look forward to another great month with your children.
