Parents Testimonial

I love the building
I love the staff
I love the playground
I love the teachings

But most importantly I love that my daughter who is in the 3 year old room loves to come to school every single day! When she is sick she is heartbroken that she is missing a day of school. She rushes me out of the house in the morning because she is excited to go.

I had the privilege of staying home with her for 3 1/2 years. So it was very hard on what I thought would be both of us just me. We tried another school for 3 weeks. She screamed everyday the whole way to school. And begged me not to leave her. The only time she ever cried at Wellington Academy is because I picked her up early one day.

I can't say enough about the school and how wonderful myself and my family think Wellington is.

Thank you kindly,
Kelley Lowrey
