Congratulations to the Wolfe Family!
They won the testimonial contest and won
2 weeks tuition!

Thank you for the wonderful
comments from all our families.

We have been a part of the South Wellington family since 2009 when my oldest son began the newly opened infant room. We have been really pleased in his growth throughout his years at South Wellington. South Wellington helped my son learn the fundamentals needed for kindergarten and he was actually ahead of the curve. I am thankful everyday for South Wellington knowing that my boys are in good caring hands. My youngest son now attends South Wellington and is currently in the 2 year old room. He has also been there since the infant room. I feel my children are in a safe, caring, and loving place. My boys love going to Wellington and the staff welcomes my boy everyday. I feel the staff (Miss Linda and Miss Jill to name a couple) really love my boys and to me that is important to know they really care about them. I would recommend this day-care if you want to feel like you are part of a caring family.
