We made it through the first couple of weeks of school without a hitch. The teachers and children are adjusting well to their routine. This month's theme is Community Helpers. If there are any parents that would like to come in and share with the children they work they do that would be great.

On September 5 we will be having 80s day, so don't be surprised if your child's teacher looks like they are stuck in the 80's.

September 17th is open house for all classes from 7pm-8pm, join us to see what your child's day is like. We are having our annual Fall Festival in October, any prize donations you may be able to offer would be greatly appreciated.

Please be sure to check parent boards for important up coming events.

Thank you for sharing your children with us!

Last month we had a blast talking about Back to School. We had an apple taste test and made apple print art. We will be having open house on September 17, 2014 from 7pm-8pm please join us for a day in the life of your child. See how your child learns and make a project that you can take home to your child.

Please remember a sheet and blanket for naptime and a reusable bag to take them home to wash on Fridays.

We need a family photo to put on our Family Tree in the classroom.

If anyone can donate old t-shirts for art smocks that would be greatly appreciated. I am looking forward to learning and growing with your child.

VPK

We are off to a fantastic start! We are so excited for this month! Our theme is Community Helpers. We will be discussing the wide variety of helpers in the community. Show and tell is every Friday and should be theme related. Parents please do not allow your child to bring toys into the classroom unless it is for show and tell, they are a distraction and may become lost or broken. Be sure to have an extra set of clothing in your child's cubby at all times. Please empty folders daily and check our parent communication board hanging on the door for classroom information.

We are looking forward to an amazing month. We will be celebrating Grandparents day in our classroom September 5, 2014 @10:30am please join us for the celebration.

Thank you for sharing your child with us!
