Thank you to all the father's for joining our luncheon's for Father's Day, the children always enjoy these events. The children have really been enjoying water play. Parents, please remember to have your child dressed and ready to participate, with sunscreen applied at home, bring a towel and change of clothes. Please no flip flops they are slippery & a safety hazard when they get wet.

With the weather being so hot ice pop donations would be greatly appreciated, they sure help to cool off the children!

Parents of upcoming VPK students, we will host an open house on July 24th from 7:00-8:00 pm. This is a time to bring the children & get to know your teachers, new friends and gather information about the new school year. Please let the front office know if you will be attending.

We hope you have a safe and happy Independence Day celebration!
