Hard to believe that it is already June. All of our classrooms are getting ready for a busy, yet fun filled summer.

We would like to congratulate our VPK students for a great job last month at graduation. Everyone did a fantastic job! We wish you all the best in your future endeavors. Water days will resume this month. All information with dates and times is inside the newsletter. If you have any questions or concerns please speak to your child's teachers or administration.

Happy Father's Day to all the dads. Every class will be having a special event in honor of Father's day.

Please keep an eye on the parent board in your child's classroom for the date and time.

### Just a few reminders;

Wellington closes at 6:00pm. Prompt pick up is appreciated and expected. While we understand that there may be some circumstances beyond your control, please plan to pay, in cash, a late pick up fee of \$5 per each 5 minute period per child left past 6pm. Also if possible please call ahead to let us know you will be late. For the summer months, please apply sunscreen on your child before arriving at school. We will have water days specific for each classroom. Keep an eye on your child's parent board to see the class's water day schedule.

Tuition is due each Friday for the following week. Late payments will result in a **\$40.00** late payment fee. It is important for your child to be here by 9am so that they can benefit from the educational opportunities we provide.

Don't forget about our referral program. You will receive a **\$100.00** credit to your account if someone enrolls at any of the Wellington Schools and lists your name as a referral. It pays to talk about us!
