Melissa Flores-Director
Tammy Yarter-Assistant Director

June was an amazing month!!! We began our water days and the children have enjoyed every minute of their outside play in the water! We look forward to July activities and learning. The center will be closed on Friday, July 4th in observance of Independence day. We wish all of our families a safe and happy 4th of July.

The academic theme for this month is **BLAST OFF!** The teachers have prepared amazing lesson plans for this month. I know that our students are going to enjoy all of the activities and learning planned for them!

The Fall is quickly approaching and we are gearing up for our "school year". We want to encourage any of our parents that have not registered their 4 year old students for VPK to do so as soon as possible. In order to qualify for the VPK program (which begins August 18th), your student must be age 4 by September 1st. If you have any questions regarding the VPK program, please see the front office.

We will have our VPK open house for parents and students on Wednesday, July 23rd @ 7pm. This evening is a chance to meet your child's teacher and to learn all about the VPK program.

Beginning August 4th, we will have all current families update their enrollment packet to ensure that we have the most current and up to date information on file.

I want to congratulate Ms. Kassie Kazar for receiving **EMPLOYEE OF THE MONTH!** We are so thankful for her and all of the hard work she does!

Thank you for being a part of our Wellington family. I hope that you have a wonderful month...

Ms. Melissa

July 2014

- Ayla W.

***Please come join us for our VPK
Open House!!***

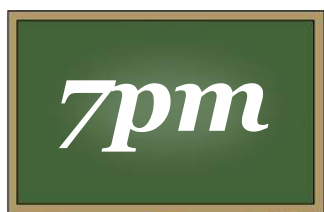

***Wednesday,
July 23rd***

This open house is an opportunity for you to meet with your child's teachers. You will receive an introduction to what your child will be learning during their time here with us at Wellington Academy. It is also a great opportunity for you to bring up any questions/concerns/special needs you may have.

We look forward to meeting you soon.

On behalf of all the Wellington Staff,

Melissa Flores & Tammy Yarter

July Curriculum

Letters: Review M-Z

Numbers: Review 6-10

Shapes: Crescent & Star

Colors: Red, White & Blue

Developmental Ones

Hurray for the red, white and blue! Our 4th of July holiday is right around the corner. Please remember to be safe around fireworks, especially with children. Doctors report that children account for nearly half the injuries that occur during the holiday weekend. Our children are having a great time on water day. Please remember that if you want your child to participate in water play have them dressed and ready to go when they arrive to school. That includes sunscreen lotion already applied. We are happy to welcome Parker & Kartel to our classroom. Sadly, we are saying goodbye to Dyani who is leaving. We will miss her and wish her and her family all the best. This month our theme is "3-2-1, blast off!!" It is time for some fun, that is out of this world!!

Developmental Three A

Welcome to the 3A classroom! We want to welcome Kymani & Caleb not only to Wellington, but to our classroom. June was so much fun, and full of learning. We are looking forward to lots more fun during the month of July. Don't forget about water days on Thursday's, as well as show & tell on Friday's. We want to remind you to please take your child's sheet and blanket home on Friday's so that it can be laundered and brought back to start the new week. We can't wait to see what this month has in store for us!

Developmental Two A

June was a super awesome month! This month we welcome our new friends Emma, Jack & Payton. We're so happy to have you all as a part of our D2 family. We enjoyed working on our fine motor skills with some painting & crayola art. We worked on our colors and shapes as well. This upcoming month is going to be just as much fun! Our theme is "3-2-1 blast off". We will be talking all about outer space, space ships, and planets. Also, just a friendly reminder, every Wednesday is water day! It starts promptly at 9am. Your child **MUST** be brought to school in

We are having a blast this summer with water day and the many fun activities planned. We will continue to work on letter recognition and phonetic sounds, number recognition with the children to make sure they are extremely ready for kindergarten! The week of 4th of July we have many fun activities , and even a party! We are asking for any donations of any yummy snacks or treats so that we can make our party that much more festive! Thank you to

their bathing suit with sunscreen already applied, if needed! Don't forget to apply a "swimmy" diaper OVER there normal diaper, as well as bringing your child a labeled

Pre-K

Wow, is the summer flying by! It's July already! We are so excited to get the ball rolling in the pre-k classroom. There is lots and lots to learn and practice, before we can start VPK next month. If you have not already done so, do not forget to sign your child up for VPK. This month we are going to really focus on our handwriting skills, as well as our listening skills and following directions. We are asking that you practice at home with your child the letters and numbers of the month, so that they are getting it at home as well as at school. We are planning many fun and exciting projects that have to do with our "blast off" theme! Water days are every Friday, and don't forget to bring your child a change of clothes, shoes & a dry towel. We can't wait to see what July has in store for us!

Developmental Four/VPK

We are having a blast this summer with water day and the many fun activities planned. We will continue to work on letter recognition and phonetic sounds, number recognition with the children to make sure they are extremely ready for kindergarten! The week of 4th of July we have many fun activities , and even a party! We are asking for any donations of any yummy snacks or treats so that we can make our party that much more festive! Thank you to all of our parents who have brought in ice pops or snacks for water day, you are appreciated! July is going to be a fun & exciting month!

**July 4th, Wellington will be CLOSED!!
We hope you enjoy your long, holiday
weekend!**
