The babies are all doing great, having fun listening to stories and exploring the outside, when the weather permits.

We would like to say goodbye to Ms. Yolanda and wish her well on her future endeavors. She will be missed .

Please continue to label all child's belongings including bottles and lids.

This past month was chilly talking about all the snow and making snowmen and snowflakes. We have been working hard in our class on learning our letters, sounds and trying to spell our names. We are working on cutting shapes with scissors and cutting on the line. I am proud of how each child is excited to learn new things.

Please remember if you have any questions please don't hesitate to ask also, there is a notebook in the bin outside the door to write notes for the teacher if you don't get to see them or talk to them at drop off and pick up.

Thank you for sharing your child with us!

VPK

We can't believe we are in the month of February already! This months theme is Healthy Habits. Our show and tell is on Fridays , please be sure it is theme related. We will be having a Valentine party on Friday February 13th, please have your child just sign their name on the valentine. We have 36 children in our class. We will also have a sign up sheet on the parent board.

Just a reminder, please make sure your child has a change of clothes in their cubby at all times and be sure they are labeled.

Congratulations to Ms. Amy as she goes on maternity leave very soon! Ms. Amanda will be in to cover her hours for VPK..

During open house we mentioned the importance of morning routine, we are seeing a change in that and are asking for your cooperation in this matter. All Kindergarteners are required to recognize and sign their names alone and we want to be sure your child feels confident and comfortable to meet this standard. Our experience has shown that a quick drop off works best in this area.

Thank you for your assistance.

Love your VPK Teachers,

Ms Amy ,Ms Kate, Ms. Elyse & Ms. Kourtny
