## July 2017

### Developmental 1—

Summer is in full swing!! The kids are loving water days, don't forget that every TUESDAY is our class's water day! Your child must come to school dressed in his or her bathing suit, sunscreen applied with a regular diaper and a water diaper over top. Please don't forget the towel we know they are easy to forget! Happy July and we hope you have a fantastic month!

### Developmental 2B —

Holy guacamole, is it getting hot outside! Whew!!! Thank goodness for our weekly water days to keep us cool! Wednesday's of each week is our class's water day, so don't forget to bring your child dressed and ready to go! If your child is still in diapers, don't forget to put them in a regular diaper with a water diaper over top. We welcomed back Ms. Jennifer after having her little girl, we welcomed some new friends as well. We cannot wait to see what July has in store for us!

### Developmental 2A —

We are blasting off into July! Water days have started, the weather is getting hotter by the day. Please make sure your child comes dressed and ready to play in the water. Don't forget to put on a regular diaper and a swimmy diaper, as well. Each child needs a towel and a change of clothes. We are continuously working on the children's verbal skills. Please help us at home by talking to your child daily, singing songs and asking them to use their words instead of pointing and grunting. We are so very grateful to have your child in our class. P.S. Don't forget to wish our very own Ms. Dezara a very Happy Birthday at the end of this month!! :)

### Developmental 3A —

Happy July! Wow, can you believe that the year is already half way over!! Its summer time which means the weather is heating up and the kids are having a blast each week for our water days. Please don't forget to bring your child dressed in their bathing suit, with a towel and change of clothes, every Thursday! If your child requires sunscreen, please apply it before dropping off your child for the day. During the month of July, we will be learning about outer space, as well as celebrating the 4th of July! Keep an eye out on our parent board for a 4th of July party donation list! Thank you for all that you do and for sharing your children with us.

### Developmental 3B —

3, 2, 1 blast off!! July is here and boy are we excited to learn about our solar system and outer space!! The weather is heating up and the summer is slowly winding down. Don't forget that every Thursday is our class's water day. Each child needs to come dressed and ready for the day; don't forget: a towel, change of clothes and water shoes. It is very important that your child has a fitted crib sheet to cover his or her mat. This is a DCF rule. Show and tell is every Friday; your child may bring a toy from home as long as it fits in his or her cubby. Please try and refrain from letting your child bring toys on days other than Friday. We are so blessed to be able to be such a big part in your children's lives, thank you for sharing your children with us!
