Administrator's News...

Fall has arrived! With the temperatures still soaring, it's hard to believe that the end of the year is quickly approaching. We are thrilled to get acquainted with our new students and their families. This month our students will be learning all about Community Helpers. Several community helpers will be visiting the center this month to speak to our students about their profession and how they help our community.

We want to invite all of our parents to come enjoy an evening that will focus on "A Day in the Life of Your Child." September 21st @ 7pm. Teachers will review the academic goals set for this school year, we will explain/review the classroom schedule. This evening is the PERFECT setting for any questions that parents may have regarding their students academic progress. This evening is designed for PARENTS ONLY. We would like to take this time to focus on any questions, comments, concerns that our parents have. Hope to see you there!!

Next month is our annual Fall Festival!! We would appreciate any/all donations of individually wrapped candy. There will also be sign ups for baked goods donations, closer to the event. The Fall Festival is an amazing event designed for all our students and families. All are welcomed!

Thank you for being a part of the Wellington Family! We are looking forward to all the fun memories and events that are headed our way!!

Ms. Tammy

CLASSROOM NEWS

SEPTEMBER 2017

Developmental One:

September means the start of Fall!! There are so many fun things coming up & we can't wait to share them with your little ones! We would like to welcome Ms. Tiffany to our classroom!! Our Parent Board is always full of important information; from sign ups, closures and anything your child might need. Thank you for sharing your children with us and we are looking forward to a great month!!

Developmental Two-B:

August was a wonderful month! School started, which means we had new friends join our class. We're so happy to have you with us, and we are even happier to start a new month with our new friends!! This month is all about Community Helpers; we will discuss who they are, and what they do in our community. We're letting our parents know that if you'd like to bring in bug spray or sunscreen you may do so, but a form from the front office needs to be filled out before bringing it into the classroom. Water bottles are allowed, but it must be filled with WATER ONLY. Please make sure your child always has extra clothes in his or her cubby, and a sheet and blanket at the beginning of the week. Please make sure that anything that is brought from home is labeled with your child's name or initials!! We do community wipes, and our supply is getting low; if you have not done so already, please bring in a 200 count package for our classroom. Non-scented is preferred. Thank you so much for all of your help!

Developmental Three-B:

Happy September!! Fall is right around the corner, which is always a fun time of year!! We want to welcome all of our new friends to our classroom!! It is going to be so much fun getting to know you and your children, and we can't wait to see what the school year has in store for us! Halloween is quickly approaching, we would greatly appreciate any donations of Halloween decorations to decorate for Fall Festival. Things such as orange lights, black lights, spider-web etc. Also, our classroom has a family tree, and right now it is a wee bit bare; if every family could bring in a family picture to add to our family tree that would be awesome! Thank you again for sharing your children with us.

Developmental Two-A:

Wow, can you believe that another month has gone by! This year is flying!!! We welcomed new friends and are getting into a great routine! Please don't forget that each student needs to have two (2) pairs of weather appropriate clothes that fit in their cubby, because accidents do happen!! We are so very excited to get the holiday season rolling, Fall Festival and Thanksgiving are right around the corner! Keep an eye out for flyers and announcements as they'll be many! The month of September is going to just as much fun as we learn about Community Helpers! Thank you for blessing us with the privilege to help your child grow and learn.

Developmental Three-A:

Hello September... Wow this year is just flying right by! The new school year is off to a great start! This month we will be learning all about our Community Helpers, and the importance of each job. Please make sure your child has weather appropriate change of clothes, and a sheet and blanket for nap time. Our school is a NUT FREE center, please do not bring in any items containing nuts.

A few important dates to remember... September 18-22 is our Book Fair from 4-6pm in the Cafeteria. Also, on September 21st is our Parent Orientation at 7pm. This is a great time to talk with teachers about the things your child learns everyday. PARENTS ONLY!!!
