Wow July was a busy month!
We had Kona Ice and water days,
a circus and a
day full of camping fun.

August is a time for Back to School which means preparing our little ones for kindergarten.

We will start the school year by focusing on getting to know each other. We will start

working on letters Aa - Dd and numbers 0 - 10. This will include letter and number recognition.

Each week we will send home a "Weekly News Sheet" to keep everyone up to date on the happenings in the classroom.

Also a few reminders for the year, we ask that no outside toys be brought into the classroom as it causes a distraction during learning time.

Please be sure to check your child's folder daily. Each child will need a 2 inch thick sleep mat, as well as a sheet and blanket. They will be sent home every Friday to be washed and returned on Monday.

Please label all belongings. We look forward to an awesome month and as always, thank you for sharing your child with us!

Love your VPK A Teachers!

This month is all about back to school!

For some of you though to might be your very first time being in school. On your first day, I bet you might even have some butterflies in your tummy along with Mommy and Daddy and that's ok! You're going to make so many new friends, and Ms. Natalie and Ms. Amanda are so excited to start this school year with you. We have so much planned for you this month as well. Every month we will be teaching the children new letters, numbers, colors, and shapes. This month's letters are A - D, numbers are 0,1, and 2. Colors are yellow and green, and shapes are circle and square. Every morning when you first walk into the classroom at the writing desk there will be a sign in sheet. Make sure your little ones sit at the writing desk and finds his/hers name and signs in each morning.

Every day before leaving always check your child's folder and cubby. We will be providing weekly news along with their art work and classwork in their folders. It's going to be a great month and an amazing year!
