Hello 4C families!! We are having so much fun getting to know each other, making special friendships, and learning our letters and numbers. Our class has made great progress in becoming more independent. The best part of the day is lunchtime. We get great food from the kitchen, so you can imagine why it is one of our favorite times of the day!!

Stop by any time to see what is happening in 4C!

What an amazing beginning of the year we've had! The children have transitioned smoothly into our classroom routines and are showing excitement about learning and making new friends.

September will not only bring us a new season but also more opportunities for our little ones to grow in so many ways. But this is only possible if we work together as a team. Community Helpers is our theme this month and we would love our parents to visit, speak briefly about what you do, and share your talents.

We will be learning letters E,F,G,H, numbers 3,4,5, colors red and white, and shapes square and octagon. Don't forget to visit the YouTube link to help your child with letter identification and sounds.
