OCTOBER

11 Picture Day
31 Fall Festival

FALL FESTIVAL

Wellington Academy will welcome the autumn months with our Annual Fall Festival on Tuesday, October 31, 2017.

We will have events throughout the day including games, class parties and a Festival parade.

We invite all of our families to join us for this event.

Watch for the Festival Schedule which will be posted in the lobby and on classroom doors.

How can you help? If you are able to volunteer, stop by the office and let us know.

CHEESE!!!

Fall Picture Day is scheduled for Wednesday, October 11, 2017. We will be using Images 4 Kids once again this year.

At this time, individual and sibling pictures will be taken. Class pictures and graduation pictures will be done later in the school year.

SPIRIT WEEK

Spirit Week fell, unfortunately, immediately after our encounter with Irma. People were still dealing with clean-up and recovery efforts and little thought was given to "dressing" for the day. We even failed to post a reminder on the lobby doors.

When done properly, Spirit Week can be great fun!! We will schedule another one after the holidays and the start of the new year.

Classroom News

1B

Time to get spooky!!! We have lots of fun fall crafts planned for October! For two of our projects I am going to need your help. I plan on making festive fall shirts with the class to wear for our party and parade. Please send in a plain green, black, orange, or purple T-shirt for your child by October 16th if you would like them to participate.

The week of October 23 we will be painting pumpkins. Please send in a small pumpkin by the 23rd. Thank you,
Ms. Kristen

1C/2A

Fall is upon us! We will be doing a variety of projects relating to nature and fall. We will also be looking forward to our annual Fall Festival to be held on October 31st.

We will be making masks and hats to wear for the Festival parade. Look for more information to come!!

2C

Welcome to our Not So Scary Room! We are so excited about this month...definitely my favorite!! We have a lot of fun exciting things happening. There are 4 Big Birthdays along with our Fall Festival and our Not So Scary class party which will be held on October 31. Please be on the look-out for sign-up sheets.

We will be learning about weather/seasons and pumpkins as well as continuing with our letters, colors, numbers and shapes for the month. Stop by and see our projects!!
Ms. Amanda

2B

This month we will be learning about nature as well as the seasons. Lots of fun fall crafts to be made!!

We are very excited to be having our annual Fall Festival on October 31st. There will be many games, a class party, and a parade. Closer to the end of the month there will be a sign-up sheet, if you would like to bring in a special treat.

Ms. Nichole

3A

Wow! September sure did fly by!!!
For the month of October we have some exciting things coming up.

We will be having our annual Fall Festival on October 31. Please do not dress your child in costume. We will make masks in class to wear during the parade and your child can wear a themed shirt or traditional Halloween colors.

Our theme for the month is Nature and ,of course, we will continue to learn our letters, numbers, and shapes. If you have any questions or concerns, please feel free to come to me.

Ms. Shannon

4A

Its Fall Y'all! This is going to be a very exciting month for 4A. We will be learning about the different seasons and begin observing any changes associated with fall..

Show and tell will be every Friday for the letter of the week:
Oct 6– I; Oct 13– J; Oct 20– K; Oct 27– L.

I would like for you and your child to decorate a small pumpkin to be displayed in the classroom. Bring them in any time during the month of October. We will be using our senses to explore the inside of a pumpkin and we will be making pumpkin pie! Our Fall Festival is also this month. FUN! FUN! FUN!

Ms. Ashley

4B

Fall is here!! Our first set of VPK assessments are done. The children have settled into the classroom routine very well. This month is all about nature. We will be taking a nature walk to collect things for our science center. We will be making leaf rubbings and cutting pumpkins open to explore what is inside. We will guess how many seeds, count them, and roast them for a snack. Yum!

If you have any questions or concerns, please don't hesitate to ask.

Ms. Heather & Ms. Maria

3B

Fall has arrived! We are hoping everyone is well after hurricane Irma. Our activities for October will, of course, be based on fall and monthly celebrations. Using the colors of the month, we will make pumpkins, black cats, and black bats.

Our fun Fall Festival will be held during the day on October 31. There will be an afternoon "snack" party as well. Keep in mind that 3A and 3B will be combined at that time. Sign-ups will be posted on classroom door.

Ms. Michelle

3C

Welcome to this wonderful season!! With fall upon us and hopefully some cooler weather approaching, we are planning to celebrate! Please join us on October 31st for our Fall Festival, classroom party and school parade. We will design T-shirts in the classroom and deck out with face paint and hairdos for the parade. T-shirts will be provided by me but I must get a verbal consent before the event to do face and hair. Snacks and treats will also be provided by me, but feel free to share goody bags or other surprises with the children.

Ms. Ary

4C

In October we plan on carving a pumpkin and cleaning out the inside. The children will use their senses to touch, taste, and smell the insides. The seeds will go home for those who want to plant them. We will make pumpkin bread to enjoy for snack. We will be making lots of fall projects to decorate our room.

Ms. Phyllis
