**FEBRUARY**

14 Happy Valentine's Day  
19 Closed— Presidents Day

## PARENTS TIME OUT

Once again we will give our parents the opportunity to have some time alone without their children. On Friday, February 9, we will host a Parents Time Out from 6:30—11:00 pm. Catch a movie or enjoy a romantic pre-valentine dinner.

The cost is \$20.00 for the 1st child and \$15.00 for each additional child. Reservations will be taken in the office, and parents will pay with the reservation.

Children should bring sleeping bag and pajamas. They may also bring favorite board game or DVD.

We will be serving pizza, popcorn, and drinks.

## FEBRUARY....FULL OF FUN!!

This month we will be focusing on Healthy Habits: oral hygiene, personal hygiene, health and safety, and nutrition. On Friday, February 2, a dental hygienist will instruct our 3's and 4's in proper dental health.

We will also celebrate all the events inherent in the month. First is Valentine's Day and our love for family, friends, and mankind. Second is President's and multicultural leaders month when we celebrate influential individuals in government, science, industry, the arts, and more!

1B

Ms. Kristen

February is here! This month our class has lots of exciting things ahead of us to look forward to! We have activities that will teach and reinforce healthy habits like practicing Personal and Dental Hygiene which keep us strong and smiling!

We LOVE Valentine's Day! So, we will be doing fun arts and crafts to show our appreciation!

1C/2A

Ms. Tammy

Hello,

During the month of February, we will be learning about personal hygiene. We will be discussing and practicing healthy routines such as hand washing, teeth brushing, and more!

We will also be spending a few days talking about and enjoying fun Valentine's Day Projects!

2B

Ms. Nichole

Watch for many holiday crafts and information on our holiday party on the 22nd.

Thank you,  
Ms. Nicole

### 3A

Ms. Shannon

Another month gone by and February is here! This month we will learn the letters U,V, and W. We will also learn about Dental and Personal Hygiene, Health and Safety, and Nutrition. 2018 is off to a great start, so let's continue to have a fun, happy and healthy year! Happy Valentine's Day!

### 4A

Ms. Ashley

This month we will be learning about our daily hygiene and healthy habits and exploring healthy snack options to keep our bodies healthy and strong!

Our letters we are learning will be U,V, and W. We will be discovering geometric shapes like the octagon, rectangle and heart in addition to the numbers 14, 15, and 16. We will also be writing our names and recognizing site words.

### 4B

Ms. Heather & Ms. Maria

It's February! This month we will be learning about Healthy Habits. We will learn about the Dentist and the Doctor and how to keep our smiles and bodies healthy.

We will talk about how to stay safe if there is a fire or if we get lost. We have completed our 2nd VPK assessments and letters have been sent home. If you have any questions or concerns please don't hesitate to call.

### 3B

Ms. Michelle

This month we will be discussing Groundhog Day, Presidents Day, Black History Month, and of course Valentine's Day. While having fun activities and projects that correspond to the aforementioned themes.

We will be having a Valentine Card exchange snack party on February 14th, so please be sure to sign up to bring something.

### 3C

Ms. Arahy

Dear Parents,

February, the month of hearts, flowers and love is already here and with that the current school year is already half over! We are excited to announce our class Valentine's Day Party on the 14th at 2PM. Please, check the sign-up snack listed posted on the class door.

The theme for the month is Healthy Habits and we will discuss Dental and Personal Hygiene, Health and Safety and the importance of good Nutrition! This month's numbers are 14,15,17. Colors - White, Red and Pink. Letters - U, V, W. Shapes - Octagon, Rectangle and Heart.

### 4C

Ms. Phyllis

It's February! This month we will stress the importance of taking care of ourselves. Promote healthy habits to stay well and proper nutrition along with exercise to help our bodies stay in tip-top shape! We will also talk about how germs get into our bodies and how to keep those winter colds away!
