Administrator's News...

I LOVE Spring time!!! March was a wonderful month! We had so much fun celebrating Dr. Seuss's Birthday along with St. Patrick's Day & Easter!

I admire and respect each and every teacher for all of their hard work and dedication. I would like to thank all of the amazing teachers here at Wellington Academy. I can't thank these amazing teachers enough for all that they do for the students. Next month, May 7th through May 11th, we will celebrate teacher appreciation week. Please take time out next month to recognize these amazing people and the work they do to make our student's lives better.

*It is hard to believe that our preschool graduation is quickly approaching. The ceremony will be held at Island Coast High school on Saturday, May 12th. We are still working out times but will announce them soon. Every year I tell myself I will not cry.....every year I do!
Let's have a great month!*

Ms. Jammy

Classroom News

Developmental 1—

Springtime is here! Please make sure that your child's cubby is fully stocked with a weather appropriate change of clothes as well as anything else they might need throughout the day. Wipes are so important for the everyday care of your child, please make sure you are bringing in a 200+ count once a month, or whenever the teachers are in need. Don't forget your umbrellas as April showers bring May flowers!

Developmental 2B—

Spring is here! This is a great time to check your child's cubby to make sure they have AT LEAST two(2) pairs of clothes in his or her cubby in case of an accident. Don't forget the shoes! We have multiple children that stay late, so we are asking for any donations of snacks that the children can enjoy while waiting to be picked up! We are very excited to enjoy the month of April and the nice spring weather that comes with it! If you have any questions or concerns, please don't hesitate to ask! Thank you for sharing your children with us!

Developmental 3B—

Can you believe that April is here!?! During the month April we will be talking about all kinds of animals and their environments. We have so many crafts, activities and discussions planned for the kids. Don't forget that each child needs to have at least one FULL change of clothes in his or her cubby in case of an accident. Our classroom door is always open to our parents, please do not hesitate to ask any questions or voice your concerns. Thank you to all of our parents who have donated things for our classroom, for planting and cooking projects. We greatly appreciate it. We hope to enjoy the month ahead, and we hope you do too!!

Developmental 2A—

Spring has sprung and we are ready to learn about all types of animals and their environments. There were a lot of exciting things that happened last month. Please keep an eye out for any upcoming events or announcements that we may have on our Parent Board. Thank you for sharing your children with us. We hope that April is just as awesome as March!

Developmental 3A—

Spring is in the air...and we are SO excited! During the month of April, we will be learning about all kinds of animals and their environment. There are so many awesome projects and activities planned for the children this month. Mark your calendars because the book fair is returning this month. As the weather starts to warm up, please don't forget to update your child's clothes in their cubby. Each child needs a sheet and a blanket for nap time, and don't forget to label everything that comes to school. This helps us identify things when they are misplaced. We are looking forward to a great, fun-filled month!!

April 2017 Classroom News (cont.)

VPK A—

We have “sprung” into spring in VPK A! We are so excited about what's planned in the months ahead. There are so many fun activities planned along with preparing for graduation. If you haven't already done so, please make sure you bring in a baby picture of your child to use for a Graduation day presentation. Keep an eye out on our Parent Board for any sign-up's or important announcements we may have.

VPK B—

We are almost done with the school year, can you believe it?! We have been practicing for Graduation, and the children are doing a great job. Thank you for keeping the toys at home during the school week and only bringing them on Friday's. Please remember to label all items your child brings to school, and please take everything home each Friday. Don't forget to keep practicing your monthly sight words, your child should know 44 sight words by the beginning of this month. If you need any extra help, please let us know! We hope you have a great month and enjoy the holiday with your family.

VPK C —

April is upon us. This month we will be talking all about Animals. If you have pets at home, please bring photos of your pets. This month is a review of our letters and numbers, but we will also be focusing on a few key letter sounds such as: -ch-, sh-, st-, qu-, and -ing. Don't forget that Graduation is quickly approaching, Thank you so much for your time and commitment to our program.
