## VPK A

Happy Easter!

Whew! March was a busy month!

We hope everyone had a great Spring Break, all relaxed and ready for the last 8 weeks of VPK and our Graduation in May.

This month we will discuss "Animals in Action"! We are reviewing our letter and numbers and will continue to practice for our graduation ceremony.

We planted flowers and veggies in our garden, so we will keep an eye on their progress! Our class will also watch the process of a butterfly life cycle, from an egg to a full grown butterfly!

Love your VPKA Teachers!  
Ms. Linda & Ms. Daphne

## VPK B

School is almost done! What a fun year we have been having so far! This month is all about "Animals in Action"!

We will be doing so many fun activities about animals!

We are going to continue to go over our sight words,

letters, numbers, shapes, and colors as review to keep

our knowledge fresh. Just because we are done with

our alphabet doesn't mean we are done learning. We will

continue to have show and tell every Friday, but now

your child can bring in anything that starts with

whatever letter they want! Graduation is right around

the corner as well! We will be practicing our graduation

songs extra hard this month!

Love your VPKB Teacher!  
Ms. Natalie
