### 1B

Summer is upon us! Time for fun in the sun!!

This month we will be discussing sand, sun, beach, and marine animals. Also keep an eye out for Father's Day crafts.

We will continue to review the basics— letters, numbers, colors, and shapes every day.

Ms. Kristen

### 1A/2A

Summer is finally here!! For June we will be learning about all the fun things to do in the summer. We will talk about the beach, the ocean, ocean life, and things to do in the sun.

We will also begin our water days, so watch for reminder signs on our door. Also, keep an eye out for special Father's Day projects.

Ms. Amber  
Ms. Tammy

### 2B

*Time to dive into summer fun!!*

*This month we will be learning all about the beach and sea animals. There will be many fun activities and crafts, so get ready for a fun-tastic summer!*

*We will also keep reviewing numbers, letters, colors, and shapes.*

*Ms. Nichole*

## 2C

This month we will learn about all different kinds of sea animals. We will have fun doing art projects of those animals. We will also be spending a week on Father's Day gifts.

Sand art is definitely an activity we will include. It is so much fun to do at this age. Finally, we will learn about all the different places sand can be found.

Ms. Sheena

## 3B

Summer is almost here. That is when we spend lazy days on the sand at the beach, swim in the ocean, and see what ocean animals we can find. This month we will do activities and projects based on the theme Sand, Sea, and Sun. We will learn about the ocean and all the animals that live there. Of course, we will not forget Father's Day and have some fun projects planned

Ms. Michelle

## 4B

Summer is almost here!

This month our theme is Sand, Sea, and Sun. We will be learning about different sea animals and treasures from the sea that we might find at the beach.

We will also be making some special Father's Day gifts as well as continuing to review letters, sounds, colors, and shapes.

Ms. Heather and Ms. Maria

## 3A

Summer is here! It's time to party in the sun! We have so many wonderful things planned and we will have so much fun. We will learn about the beach, sea animals, and, of course, things to do to have "fun in the sun".

During the summer we will continue to learn our letters and sounds. It's amazing to see how far the children have come this year. I am so proud of them!

Happy Summer,  
Ms. Shannon

## 3C

Another wonderful month is arriving, and with it we will be celebrating Father's Day on June 17th and the first day of Summer on the 21st.

Through our curriculum your child will learn about the ocean and the animals that live there. They will learn about what foods come from the sea and the importance of protecting the earth's oceans.

We are very excited about the activities we have planned and invite you to support this unit from home:

- Plan a trip to a local aquarium
- Enjoy a fish dinner
- Visit the beach and collect and count seashells

As always, thank you for sharing your children with me!  
Ms. Ary
