Hello families:  
May will be a Multicultural Month. What a great opportunity for all our families and staff to celebrate our distinct backgrounds and learn about diversity and all the things that make us who we are.

We will also be learning about transportation and continue reviewing letters, sounds, numbers, colors, and shapes. A big "shout out" to all the wonderful Moms. I wish you a Mother's Day filled with love and happiness that lasts the whole year!!

Ms. Ary

We will travel around the world this month. We will discuss where we want to go and how we would get there. We will learn about food from those countries and the cultural diversity of the children. Learning how other children play and go to school will be interesting and we will compare it to how we learn and play.

Ms. Phyllis
