Infants A enjoyed learning about different animals in motion during April. We even made our very own fish with our footsies! As we prepare for May, we need to get our "passports" ready to travel. We will discover ways to travel: cars, planes, and trains! Oh my!! Many new discoveries ahead!

♥Ms. Karen and Ms. Kris

INFANTS B

We have been enjoying our infant room this month with all our wonderful new babies! We can't wait to learn all about different kinds of transportation and create art projects about them. We are looking forward to an exciting month in our new room!

♥Ms. Jenna, Ms. Nicole and Ms, Carol

This month our shapes are rectangle and oval and our colors are black and green. We will be reviewing our vowels this month and numbers 1-10. As the weather is warming up, please dress your child accordingly. As always, thank you for sharing your child with us

♥Ms. Lisa and Ms. Angela

CLASSROOM 2B

Hello Parents! Another month has gone by with lots of fun! April was full of birthday celebrations and we learned all about animals and where they live. Now, in May, we are ready to travel the world and learn all about other countries, airplanes, and passports! We will be having Mother's Day week where we will celebrate all of our awesome moms! We hope this month will be full of fun!

♥Ms. Jessica and Ms. Haley

CLASSROOM D3

Welcome May! April was so much fun learning about animals, the different environments they live in, and how they live in places like the zoo, circus, and amusement park! Now, we will be learning about travel, with this month's theme being "Passport to Travel". We are looking forward to learning about other countries and how to get there. May is also dedicated to the very important mentors in our life—mother's and Grandmothers—so happy Mother's Day to the women in our life who work so hard for us!

♥Ms. Priscilla

Hello Parents and Guardians! May is a fun month—get ready! We will be learning about transportation, and exploring countries, cultures, customs, and foods from around the world! If you have a special book at home or would like your child to share their cultural traditions, please let us know, as we would be delighted to incorporate both into May's curriculum. Friday, May 18th, Pre-K will be having a party to celebrate all cultures. We are requesting that children and their parents make their family's favorite dish—one which expresses their culture! Mothers' Day is also in May and we want to celebrate our moms with a tea party! Join us in the Pre-K classroom Friday May 11th at 3:15 PM for (iced) tea and cookies! As a friendly reminder, please remember to check LifeCubby for updates regarding your child's daily activities. We Also ask that each child has a fitted sheet and blanket for naptime.

Thank you!

♥ Ms. Sarah & Ms. Caitlin

VPK

Last month we learned about all types of animals. The class had fun with our zoo picnic and our week of fun activities was such a blast! In May, we will learn about traveling around the world and other countries and customs. The last week of May we will try food from different cultures and countries. If any parents are interested in donating some time to talk to our class about your culture or share some food from your culture, please let one of the teachers know! Our Class will continue to review all of the alphabet and numbers 21-24. We will add a new skill each week in language and math that will help your child succeed in Kindergarten. As a reminder, the children practice for graduation from 11:00-11:25. This is a very important time where the children learn their songs, poems, and activities for graduation day. Please be on the look-out for posters about our upcoming field day. We have posted a donation list of some items already, and will be adding more in the upcoming weeks. Thank you!
