# CLASSROOM NEWS

## **Developmental 1 -**

April was such a fun and exciting month! We had so much fun learning all about the different kinds of animals. Please make sure that if your child brings any personal belongings to school such as cups, loveys, pacifiers, etc, that they have your child's name on them.

This helps us identify things easier! During the month of May we have so many fun activities planned. Please keep an eye out for any information that might be on our parent board. If you have yet brought in a 200 count of wipes, please do so as soon as possible!

## **Developmental 2B -**

It is only Spring, but boy does it feel like summer! It is getting hot out there. Please make sure that your child has two pairs of WEATHER APPROPRIATE clothing in their cubby. Don't forget extra underwear and shoes! Any item that comes to school with your child must be labeled; clothes, cups, blankets, sheets etc. Mother's Day is almost here already! We want to thank all of our moms for all that you do. Wednesday May 9th we will have a special Mother's Day cookies and tea Celebration. We would love all of our mommies to attend.

## **Developmental 2A-**

Wow! It's May already? We are already almost half way through the year! Last month we had SO much fun learning about animals and where they live. It is starting to get hot on the playground. Please make sure that your child is wearing weather appropriate clothing. Please also make sure that your child has weather appropriate clothing in his or her cubby. We cannot wait to "travel" with your child during the month of May! Last, but not least, we want to wish our Mothers a VERY Happy Mother's Day! Thank you for sharing your beautiful children with us!

## **Developmental 3A -**

Holy Cow! It is May already!! The last few months have just flown by. During the month of May we are going to "travel" through learning! We are SO excited for all the activities and crafts that we have planned. Don't forget to check your child's cubby to make sure they have extra clothes in his or her cubby. It is starting to get hot outside, so please make sure that your child is wearing weather appropriate clothing. Fridays are show and tell days. Please only allow your children to bring toys from home on this day. We appreciate all that you do. Thank you for sharing your kiddos with us!

## **Developmental 3B—**

My, oh my, it's already MAY?! WOW!!! We had a great time last month learning all about animals and their habitats. During the month of May we will be focusing on traveling and different places from around the world! If your or your child has ever been to another country, we would love to see your pictures!! We want to send a huge shout-out and lots of love to our awesome Moms this month. We hope that you have a lovely and amazing Mother's Day!

# CLASSROOM NEWS

## VPK A—

This month is going to be very exciting. April went by like a gust of wind and now that its May, we will be especially focusing on the fundamentals to be sure that your child is prepared for kindergarten. Some fun activities you could do at home to follow through with what we do at school are; counting (particularly counting past 30), recognizing letters, and the sounds that letters make. Everyone is doing so well. The way we learn is mainly by repetition. Our theme this month is "Passport to Travel" We will be "traveling" to places all around the world. We will visit Mexico, Italy, China, Africa & Russia. On May 4th we will have a Cinco de Mayo celebration! Thursday, May 10th is our Mother's Day tea event @ 4pm. Mothers (grandmother's/guardians) are invited to come have cookies and tea in the company of some pretty loveable kids. Monday, May 28th Wellington Academy is closed in observance of Memorial Day. The second session of Progress Reports will be going out this month. Please keep checking your child's folder for those! Also, be sure to save the date of our Graduation, Saturday May 12th. Do not forget that children need to still attend VPK until May 30th. The children are very excited to show you how much they've learned this year! We appreciate all of our parents and their involvement to our classroom.

## VPK B—

The end of the school year is near! We will be very busy the next few weeks as we get ready for graduation and end of the year activities. We will be celebrating our wonderful moms, on Thursday May 10th at 4pm. Please check your house for any school library books you may have missed, our last library day will be Friday, May 5th. Graduation will be here before you know it!! Your child will get their cap and gown the day before graduation, please write your child's name in their cap as they do get to keep them! Children will need to be at Island Coast NO LATER than 9:10am, as graduation starts at 9:30. We know graduation is the week before the last day of school, but there is still school the week after graduation, including our end of the year party on may 26th. Don't forget that Wellington is CLOSED on Monday, May 29th in observance of Memorial Day. We wish all of our moms, grandma's, and aunts a Happy Mother's Day!

## VPK C/D—

Can you believe it's May already?! This is our last full month of VPK. Graduation will be held on Saturday, May 12th at 9:30am. Children MUST be there NO LATER than 9:10am. We encourage you to invite your friends and family to this special event! This month we will learn all about traveling and transportation and boy do we have a lot of "trips" planned!! Please check the Parent Board for all the information on Mommy & Me Tea as well as Spirit week and the end of the year party!!

## teacher appreciation Week

May 7th through May 11th is Teacher Appreciation Week. The teachers and staff members at Wellington Academy love being a part of you and your children's lives. During this week, please show your love to our amazing teachers!

## Letter from the Director...

### May 2018

*You can tell by the weather outside that summer is well on its way! Last month went by so quickly. It's hard to believe that we are almost half way through the year. The end of our VPK program is quickly approaching and our students are gearing up for their Graduation ceremonies. This year the ceremonies will be held on Saturday, May 12th at Island Coast High School. We look forward to celebrating our VPK graduates and all of their academic accomplishments!*

*Teacher appreciation week is May 7th through May 11th. This week is a great time to express to all teachers just how important they are in the lives of our children. I would personally like to thank all of the teachers of Wellington Academy for all that they do to ensure that our students are loved, protected, and educated. I am proud of you all! I see the love and dedication that you give every day to the students in your care.*

*Water days are right around the corner! This year water days will begin on June 4th. Within the coming weeks, we will post water day schedules for each classroom. Water days are fun for all and help so much with keeping the children cool during the hot summer days.*

*Thank you to all of our parents that continue to generously donate ice pops for the students. The children LOVE to have ice pops after outside play.*

*Future VPK Students, please make sure you turn in your voucher ASAP! Students must be age 4 by September 1<sup>st</sup> to participate in the program. Vouchers for eligible students should be turned into the front office as soon as possible to ensure a spot.*

*Thank you for being a part of our Wellington family.  
Let's have an incredible month!*

*Ms. Tammy*

Happy Birthday to all of our  
friends celebrating this  
month!!!
